

MEET THE TEACHER

● Mrs. Fogg ●

Mrs. Fogg

About Me!

I am fluent in Spanish. I am married and have two cats. In my free time I enjoy going to the beach, spending time outdoors, working with the kids in my church, cooking and gardening!

My Experience

This will be my third year teaching kindergarten here at Gate City. I have also taught fourth and fifth grade math and science and worked as an educational assistant in third grade. Prior to working in a school setting, I taught dance classes to all ages and performed professionally in the Boston area. I have an associate's degree in early childhood education from Nashua Community College and my bachelor's degree in elementary education with licensure from Colorado Christian University.
