Dear Second Grade Friend,

Can you believe it is almost time to come back to school? I hope you have had a great summer and have done many fun and exciting things. My family and I have had lots of fun going to beaches, traveling in the Southwest, hiking in Utah, and swimming in our pool.

I've had a great summer! However, I can't wait to start a new school year on August 27th!

I've been working hard this summer preparing our classroom and creating many new fun school activities. We are going to have such a great time together. We will sing songs, read poetry, dance and create art projects, all while learning so many wonderful new things.

I hope you will be able to come to school on August 26th for the back-to-school social! You can see our room, meet me, and see some friends. If you have your supplies, you may bring them to school then. Until then, I hope you enjoy your last weeks of summer vacation! See you very soon!

Your Friend,

Mrs. Waterman
