# PRE ROLLS

## THCA PRE ROLLS - 2 Pre Rolls Per Container

### WHAT IS THCA?

As the cannabis plant produces THC, the cannabinoid starts off as THCA and then naturally converts to Delta 9 THC once heat is applied.

THCA in its raw form does not have any psychoactive effects, but when smoked it converts to regular THC offering all the traditional cannabis effects that you know and love.

**AVAILABLE IN 6 STRAINS**

## Each THCA Pre Roll Contains:

1.25 Grams of THCA Hemp Flower

Organic Indoor Flower, No Shake or Trim

Organic Hemp Rolling Paper and Raw Filter
