SERVICE TYPE OPTIONS:
Will Call = customer will call in for propane as needed
Summer ONLY = we will "automatically" fill your tank between June – August when propane is at its lowest price of the year.
*AutoFill 30% = we will track your propane usage and fill your tank at or near 30% and/or when prices are lowest. This option is best for customers who want fewer fills. Guaranteed to never run out! ****Monitor required***
*AutoFill 50% = we will track your propane usage and fill your tank at or near 50% and/or when prices are lowest. This option is best for customers who want to keep a low **monthly** propane bill. Guaranteed to never run out! ****Monitor required***

<p>TANK MONITOR? **</p> 	<p>**The purpose of a Tank Monitor is to save you money, avoid outages and remotely access your propane levels instantly, anytime, anywhere. The monitor qualifies you for AUTOFILL and we will monitor your tank, track your usage, and deliver propane on an efficient schedule that helps you save on propane fuel. Let us do all the work so you don't have to worry. (\$50/year – billed annually) **All rental tanks require a monitor.</p>
