The Scoop

*Opportunities for ministry and fellowship in,
through and around All Saints*

Dear Members and Friends of All Saints,

It has been brought to my attention that someone is pretending to be me and is asking through email for gift cards to be donated. **THIS IS A FRAUD!** I will always work through the normal channels of this congregation. Please disregard any such request.

On a happier note, I am enjoying my first month as your interim pastor. I am glad to visit with you and hear about your joys, dreams and concerns about All Saints.

God's blessings,
Pastor Larry

Headshots Anyone?

Now that we have a new interim pastor, it's more important than ever that our church directory is accurate. Pastor Larry loves to see photos of members, which helps him get to know all of us. There are still many without photos in Breeze.

If you are a couple or a family, rather than individual photos, please send headshot photos of you together (just take them with your phone...it's that simple!).

Email them to Rebecca at reb.seevers@gmail.com.
She will update them in the directory. Thanks!

Fall Perennial Plant Sale

The Human Concerns Team

Last Sunday to purchase plants! Some plants will be available in pots just outside the front doors. They will be labeled with the plant name, color and price. Please pay for the plants at the Scrip table.

We will also have vouchers available on the bulletin board near the Scrip table. The vouchers will have the name of the plant, the price and who to contact to get the plant(s) to you. Again, please pay for the plant at the Scrip table. Information about the various plants will be provided: sun/shade, watering needs and other necessary details.

Money raised will be used to support our mission work through the Human Concerns Team. We try to maintain a balance of support to our local community, to national organizations and international programs.

You can contact Kathy (kathleen.theis@gmail.com) with any questions. Thank you!

Songoro Partnership

Scholarships for Secondary School

Songoro Scholarship Program is not only changing individual lives but is actually improving the standard of living in the entire region. Increased contributions by educated members of Songoro Lutheran Church have allowed the congregation to add elder care and occupational training programs in the community. Your support makes this happen.

Members of All Saints have supported 55 – 75 secondary school students per year ever since 2005 when our partnership began. This is done with funds contributed during All Saints scholarship appeal during the months of October – December.

As you are aware, Secondary education is not completely funded by the government in Tanzania and families are often unable to pay the fees required for their children to continue their education past the age of 12. A larger number of students attend secondary school in Songoro than most villages in the region. These students help to improve the lives of others in Songoro and help to teach other students. Envelopes are available in the pews or at the Songoro narthex display or you can contribute to All Saints online.

Scholarships for Higher Education

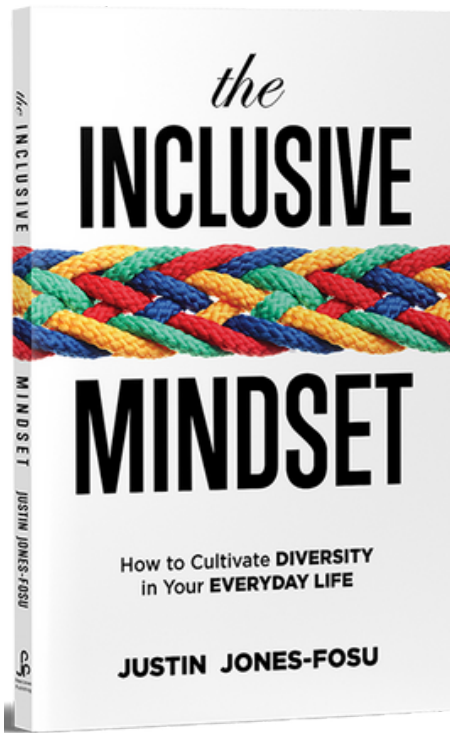

Individual patrons from All Saints have financially assisted additional worthy college students to help them receive their degrees this year. The number of college students that have been assisted by the Songoro/All Saints Scholarship Program is now 18 students. Many of these students have become community and church leaders, and have become substantial contributors at Songoro Lutheran Church.

A number of potential students are praying that we will find patrons for them. These include students that hope to receive their bachelor's degrees after 3 year programs that cost \$1500 - \$2500 per year. Patrons commit to supporting their students throughout their entire college careers. To learn more please contact Ron Bohrer at: ronbohrer@aol.com or 262-392-2967.

Pine Ridge Reservation

On Sunday, October 16th, at their 10am church service, the youth that joined us at the Pine Ridge Reservation in July will be doing their presentation at Southminster Presbyterian Church in Waukesha.

After the church service they will also be sharing additional information and answering questions for all that are interested.

Circle Conversation Study Group

Submitted by Laura Dralle

The Circle Conversation study group will be starting up again on **Monday, October 3rd at 7pm**. Over the past two plus years this group has delved into multiple justice topics (ex: gender, race, incarceration) in hope to develop broader understandings of current situations, as well as historical events that continue to impact today's practices.

On Sunday, August 28th, Judy Knoernschild spoke on Luke 14:7-14 and referenced that "to be humble is to be teachable." That is the objective of this group, to grow in our understandings of what justice means within a society of diverse individuals.

This fall's focus is on "how to cultivate diversity in our everyday life," using the book *The Inclusive Mindset* by Justin Jones-Fosu.

All are welcome to join this group as it starts anew this fall. Joining means that you are open to learning, exploring, and humbling yourself to growth. If you are interested, please [sign up using this LINK](#) so that books may be ordered.

If you have any questions regarding this study group, please contact Laura Dralle at ldralle5@yahoo.com, Kathy Theis at kathleen.theis@gmail.com or Jean Voelkel at jvoelkel21@gmail.com.

40th Anniversary!

November will mark our 40th Anniversary of the signing of our church charter. We will celebrate these past 40 years beginning in October. Each week we will see video clips from past pastors and interns, and have temple talks from members about our history. All will culminate in a festive service with an anniversary and bell choir, followed by a turkey dinner with all the trimmings and the closing of the silent auction on October 30th.

Jim and Ginny Kozminski, Anniversary Committee
