The hospitality team is asking if we have any youth that would like to design a Christian shirt for All Saints.

You can just use a word doc and do the drawing or clip art on an 8 ½ x11.

Please return to Shari by November 7th so we can vote on a design when we are together on November 7th after worship to fill the care packages.

Fall Conference Gatherings

The Synod Council and Conference Deans are excited about the opportunity to meet together as conference congregations in person over the next month to reflect on who we are as God's people together in our Greater Milwaukee Synod.

We invite you to join in a conference conversation about who we are as a synod, who God is calling us to be, and where God is inviting us to show up before we turn to the questions of leadership and the 2022 Synod Assembly bishop election. Members of the Synod Council will be facilitating interactive and engaging conversation.

**West Conference
Thursday, October 21st
7:00-8:30pm

I'm Curious About...

Are you curious about where God is leading the Church in this new age? Join your colleagues from across the synod, both rostered ministers and congregational members, for a monthly conversation on Zoom. You can come on the **4th Thursday of each month at 6:30pm**, and you can download previous [months' conversations here](#).

On October 26th at 6:30 pm, we'll talk about "Thriving in the Midst of Change" with Pastor Karen Pahl. If you can't join at that time, the video and other resources will be posted on the synod website shortly after the event.

To learn more, download past conversations, or register for future conversations, visit milwaukee-synod.org/curious.
