# The Scoop

OPPORTUNITIES FOR MINISTRY AND FELLOWSHIP IN,  
THROUGH AND AROUND ALL SAINTS

**Sunday, May 30th**  
**9:30 a.m.**  
at All Saints Lutheran Church

**HONK IF YOU LOVE JESUS!**

## Drive-In Church

*Sunday, May 30th at 9:30am*

Memorial Day Weekend!

Please invite others to come to this cool, fun way to do church.

**Honk if you love Jesus!**

## Open for in-person and online worship, Sundays at 9:30.

No masks or social distancing for those who are fully vaccinated against COVID-19.

If you are not fully vaccinated, please continue to wear a mask and socially distance.

Please be mindful that people have varying comfort levels about this and treat one another with kindness, courtesy and love.

## BEES AND BUTTERFLIES... ON THEIR WAY TO ASLC!

Kathy and Al Theis have been busy preparing garden beds, and planting a pollinator garden on the east side of the church. All of the 128 plants are either a host plant for pollinators, providing pollen or nectar as a food source, or are used for nesting by butterflies and bees.

Plants were purchased from Prairie Nursery, through a Thrivent grant written by Kathy Neubert.

Take a walk around the church someday and take a look!

## Festivities and a Feast Followed by a Bonfire

*Please put this July 10th All Saints' fellowship event on your calendar!*

Did you love playing croquet when you were a child? Maybe you still love it. Were you pretty good at bean bag toss (known as Corn Hole these days)? Are you an ace at bocce ball? You are invited to participate in these games and more activities for all ages. Did I mention music?? There will be music!

Join us on July 10th for an afternoon of games and activities. The time will be announced as we finalize our plans. We will enjoy a meal brought to us by Judy and The Cornerstone and will wrap up the day with an evening bonfire.

Save the date! July 10 with a rain date of July 11.

If you would like to help plan this event, contact Kathy Theis at [kathleen.theis@gmail.com](mailto:kathleen.theis@gmail.com) or 262 968-4482.

## Partner Thanks

*From Pastor Mary Martha,  
Hephatha Lutheran*

Hephatha young men who abide in God's love as they tend the church yard and the yards of several elderly neighbors.

Wonderful young people! We thank God for them...and for you!

THANKS FROM HEPHATHA to you, dear mission partners, for continuing to serve with us on 18th and Locust in this time. We are thankful to be able to continue in safe mode in numerous ministries, both in a limited capacity on site and in a growing capacity online. Please visit us at [www.hephatha100.com](http://www.hephatha100.com).

From John 15: "Abide in my love." WE THANK YOU for abiding with us in the love of God!!!!

The summer will bring us another year of work ministry with the young people, a bit freer than last year. We are working hard against lead poisoning of children in our area (on the Hephatha census tract a full one-third of children are lead poisoned). We are growing our Strong Baby Sanctuary ministry (some 120 children are covered by it at this time). Outdoor food outreach and indoor use of the fellowship hall in safe mode for distribution of basic items weekly to those who are experiencing homelessness are other ministries you are helping make "go" in this time. PLEASE share this message of deep gratitude you're your congregation. We abide with you in the Gospel, in prayer and in the hope of the resurrection.

I will be on sabbatical this summer and extend my wishes to you for a summer of health, growth in faith, and times of enjoying the gifts of this season.

God's peace and our deep thanks, Pastor Mary Martha

# Songoro Lutheran Church Partnership

## *Scholarship Program*

**Complete Secondary School Report shown at our Narthex Display**

Our partners at Songoro Lutheran Church

in Tanzania send their appreciation for the funds transferred in January for secondary school scholarships. The Songoro Scholarship Appeal fund exceeded \$5000 this year and the number of Songoro students attending secondary school will increase this year. The Songoro Scholarship Committee in Tanzania is currently determining the amount each student will receive from the fund and will formulate a report that will be sent to us at All Saints. Not all families have the same need and the committee does its best to be sure the most students possible are funded. The criteria includes both merit and need.

### **14 Completed College Scholarships are Success Stories in Songoro Tanzania**

Several potential college students are praying that an All Saints patron will be found to help fund their college education. YOU CAN CHANGE A LIFE Songoro Scholarship Committee in Tanzania has a number of applications and decides the applications to send to us using merit and need as their criteria. There are currently applications for students needing \$1500 - \$3500 per year for 3 – 4 year programs. For more information, please contact [ronbohrer@aol.com](mailto:ronbohrer@aol.com) 262-490-1961

## *Songoro Clinic*

### **Corona Virus**

The Corona Virus has affected our partners very little on Mt Meru. There is very little contact with the residents of Usa River, Arusha, and Moshi and those that visit these communities are careful to mask, maintain social distancing, and practice good hand washing. The physician at Songoro Clinic is continuing to train the Songoro residents in good pandemic habits. The Tanzanian national government is not releasing Corona Virus statistics.
