A message from Pastor Roy

Like so many other pastors, I am weary after this past year+ of constant change as I did my best to keep us gathering together as a worshipping community, bound together in Christ. Until recently, there's been no let up, and I'm just worn out, physically and emotionally.

Our bishop recognized that the pastors needed a break, asked the churches to allow their pastors additional time off, and the Synod offered grants to help with the cost of supply pastors.

I'm thankful that your church council agreed, and is allowing me two extra weeks off this year. At their suggestion, I will be taking four consecutive weeks away during June and July, and another two in August. Then one week each at the end of November and December. Leaders from the church and supply pastors will be filling in while I'm away.

Blessings,
Pastor Roy+

Music Updates

And a special thank you!

We hope you heard that Wendy Quinn will become our Music Leader on July 1st. She's looking for people to join in making a joyful noise to the Lord as part of a choir, ensemble, or special music. Let her know how YOU'll participate.

Make a joyful noise? Jean Voekel and our bells outdid themselves on May 23rd! THANK YOU ALL. I see playing the bells as a lesson in faith. You play your bells the best you can, and you have faith that the person beside you will play theirs at the right time so the ensemble sounds good together. Life lesson?

In response, two members who decline public recognition came forward with generous gifts totaling \$1,600 for new music, to help with Wendy's salary, and to restore Jean's salary! What a gesture of thanksgiving! THANK YOU, whomever you are!

**Open for in-person and online
worship, Sundays at 9:30.**

No masks or social distancing for those who are fully vaccinated against COVID-19.
If you are not fully vaccinated,
please continue to wear a mask

Please be mindful that people have varying
comfort levels about this and treat one
another with kindness, courtesy and love.

Festivities and a Feast Followed by a Bonfire

Please put this July 10th All Saints' fellowship event on your calendar!

One of the great things about being part of the All Saints community is the joy of being together to socialize, to share what's going on in our lives and the lives of families, and to enjoy our caring and friendly congregation.

A chance to spend an afternoon and evening together in fellowship is coming! An event is being planned for July 10th, with a rain date of July 11th. This past year has been challenging in so many ways; the chance to see one another was definitely missed, not being able to stay connected was difficult. But with COVID (mostly) behind us, we can reconnect with fun activities, great food and a bonfire.

There will be rotating activities of croquet, bocce ball, corn hole (bean bag toss) and singing. We will also have a supervised area for kids to play games. You and your family are invited to participate in these games and activities. If you don't know how to play a game. . .we'll teach you! If you would rather be a spectator, bring your lawn chairs!

Join us for the entire time, or just part of the day! The times will be announced as we finalize our plans. We will enjoy a meal brought to us by Judy and The Cornerstone and will wrap up the day with an evening bonfire.

If you would like to help plan this event, a meeting will be held on Sunday, June 6 following service.

Contact Kathy Theis at kathleen.theis@gmail.com or 262 968-4482 or just show up!
