*Submitted by Kathy Theis*

Sentry shoppers please save your grocery receipts! We are able to submit receipts from up to six months ago and Sentry will send us a rebate.

Ellen Gallagher tallies the total of all eligible receipts, takes them to Albrecht's Sentry and in a short time, they send All Saints a check. There is a drawer labeled Sentry Receipts in the Hearth Room.

Any questions, please ask Ellen. Thanks for your support!

## ELCA Youth Gathering News

*Submitted by Pastor Jennifer Rose*

Chloe, Henry, Isaac, and I are heading down to the ELCA Youth Gathering in New Orleans, LA from July 15-20.

This year's theme is Created to Be, based on Psalm 139:14: *I praise you, for I am fearfully and wonderfully made.* Created by the ELCA Youth Gathering team, each day has a different theme word: brave, authentic, free, disruptive, and disciples.

- We are created to be brave, to show up with an open mind and heart, willing to be challenged.
- We are created to be authentic, to bring our whole selves and know that we are loved by our Creator.
- We are created to be free, to be transformed by the gospel.
- We are created to be disruptive, to work for justice for all of our siblings.
- We are created to be disciples, to be sent out into the world to love our neighbor just as we are loved by God.

You can watch the live-stream of the Youth Gathering from home, too - it will only be available LIVE during the gathering - but you can find this at: <http://elca.church/gathering> and you can watch alongside us (from a much cooler climate!) These will air LIVE from 7:00-9:15pm on July 16th, 17th, 18th, 19th, and at 9:30-11:30am on Saturday, July 20th.

As long as airline flights go as planned, I am planning to be back in worship on Sunday, July 21st. (Thank you to Nansi Hawkins for agreeing to be on-call in case of airline delays!)

Please pray for us. For good weather – we know it will be hot, but torrential rain would be a big challenge. For meaningful service projects – we don't mind being out in the blazing heat, we want to make a difference. For impact - that the message of the gathering is meaningful for our group and for the 16,000 other youth attending. Pray for the adult leaders, that we stay sane and levelheaded, and pray for the many people who have been working to plan this gathering for the last several years. Prayer makes a difference, and we know that you will lift us up over the coming days!

After the gathering, we will take some time to share the stories of the gathering with you – I know these youth will be excited to share their experience with you!

Thank you for your prayers!

## From Pastor Mary Martha, Hephatha Lutheran Church

*Submitted by Kathy Theis*

Hephatha serves its community in many ways. They are very involved in the Strong Baby Sanctuary which provides clothing, diapers, formula and other baby needs as well as parenting classes. Hephatha has a summer work ministry which requires supplies for cleaning up the church and neighborhood along with a meal. They host Tuesday Praise gatherings and provide a lunch on those days. There are many other meetings and gatherings throughout the year.

Each of these activities needs to be funded and Hephatha has a very tight budget. Pastor Mary Martha has reached out about Thrivent grants. They have used these grants in the past but have limited access to them.

A few examples of activities at Hephatha just this spring/early summer are:

- Hosted a Dr. King All-A-Thon on May 25th
- Hosted Hopkins Lloyd School graduation during the week of June 5th
- Hosted a Strong Baby Sanctuary session on June 8th
- Hosted Juneteenth Outdoor meal and block party on June 16th

Upcoming needs are for:

- Back to School Party food and supplies on August 11th
- Ongoing need for diapers and formula
- Retreat Day items (towels, flip flops, lotion, etc.) on August 7th
- Lead Free Water Summit on October 12th

If you are a Thrivent member and have access to a grant that won't be used for a project here at All Saints, please consider helping out. Contact Kathy Theis at 262 968-4482 or [kathleen.theis@gmail.com](mailto:kathleen.theis@gmail.com), or contact Pastor Jennifer at church (262 968-3322 or [pastor@aslcwales.org](mailto:pastor@aslcwales.org)).

## Songoro Partnership - You Can Change A Life

*Submitted by Ron Bohrer*

### Education is Improving the Standard of Living in Songoro Tanzania

A number of Songoro students are praying that patrons will step forward to become their patrons. These students are chosen by the partnership committee in Tanzania to be next on the list because of their need and their likelihood of success. Previous All Saints/Songoro college scholarship recipients have all done well in school and have honored their commitment to support Songoro Lutheran Church. These 22 scholarship recipients are helping to improve life in the Songoro region of Tanzania.

The next applicants for you to consider include students in economics, education, and irrigation engineering. Extended families have supported one year of education for each of them but there is a need for support of the second and third years of their three year programs. The cost is \$1500 per year and, as always, we ask that you commit to funding the two remaining years for any of these students.

Please contact Ron Bohrer for more information (262-392-2967 or [ronbohrer@aol.com](mailto:ronbohrer@aol.com)).

## What is Scrip?

*Submitted by Barb Deichl*

What is Scrip? What does Barb (or others) do at that card table every Sunday? Is there a reason she looks lonely at times and smiles at you as you leave the sanctuary? And, why are people ordering gift cards each week?

Scrip is a “fund-raising” program for the Human Concerns Team to support our missions. The “funds” come from the rebates of gift cards sold from the Sunday card table or online purchases from the RaiseRight App. Our missions have included giving \$250 a semester for the past few years to a high school graduate of Hephatha Lutheran in Milwaukee for their college education. Also, monetary donations have been given to The Hope Center, KM Food Pantry, Pine Ridge and our own contingency fund in the past year. Previously, we have also donated to World Central Kitchen, Lakes Area Free Clinic and Dental Clinic, among other missions.

We realize that most people use their credit cards to make purchases to get rewards. And, not many people carry a checkbook any more, let alone bring it to church! So how about scheduling a once-a-month Scrip stop? ASLC can then get the “rewards” for your purchase. You can buy a \$100 Amazon, Pick ‘n Save or Kwik Trip gift card. Or a VISA card that can be used any place! There are many businesses that have \$50 or \$100 gift cards that are available. Pick up one of the order forms on the table or check out the list of all the retailers that is on the bulletin board by the table.

Let’s keep Barb and her team members busy every Sunday! Feel free to stop by the table to get additional information.

You can also order any gift cards online on the RaiseRight App or at [Raiserright.com](https://www.raiserright.com). Please register a family account and use our ASLC enrollment code: **21E12A3876L8**. You will also need this code to set up an account on the RaiseRight app. There are some cards that are only available as e-cards and you would need to get the app to order and use those.
