## Reservation Outreach

*A note from Gloria Klomsten regarding ASLC Support for Pine Ridge Reservation:*

An fyi to let you know the Menards gifts were a tremendous help. We used them to help buy the rest of the stain needed to finish the deck at Makasan. The ambitious June group started the project. It needed it so bad and now it is finished and looks fantastic. You can see in the one picture the previous red color of the deck.

The young man in the picture was one recipient of Bed in Box kits that All Saints donated the pillows with the beautiful hand stitched pillow cases.

Thank you very much All Saints for all your support, prayers and generous contributions. It's because of groups like yours that we are able to do what we do to help the families on the Pine Ridge Reservation.

God Bless you and all you do!!!
