A new tire is \$2600. Caterpillar is working on a bulldozer. That will cost over 40 thousand. DEQ looked at the grounds. They were happy with the clean-up. A new cell will be needed in 2 years. Ambulance Report- Reported by Beau Williams. The first meeting did not have a quorum. The second meeting barely had a quorum. At the next Annual Meeting, it will be suggested to have two board members from each township on the board instead of a citizen at large. It is hard to find anyone to do it. The runs were up for the month, but down in June. The new ambulance will not be in until June. The down payment was moved to another vehicle. They cannot find people to work or keep up with wages. There were 2 new hires and 3 resignations.
