Panorama Survey Participation

Your voices—and our students' voices—
are being heard loud and clear.

Tangible Rewards for Positive Choices

- The successful launch of our fully digital LiveSchool store.
- Turning great behavior into highly requested rewards (Yes, the Cup of Noodles is still the favorite!).

Empowering Our Educators

Implementing Choice-Based
Professional Development.

Just as our students have choices, our educators are empowered to choose how they learn, grow, and bring their best to the classroom.

Cultivating Staff Joy

The Beverage Cart & Tahiti Happy Hour

Building a culture where educators feel celebrated, energized, and ready to inspire.

Making Attendance Joyful

The Homeroom Hustle & Attendance Champions

Turning daily attendance into a fun, team-based celebration where every student has a champion in their corner.

Supportive Partnerships for Families

Clear, standardized attendance protocols designed to remove barriers.

Expect more Celebratory Phone Calls—we are calling home just to say “great job” when attendance goals are met!

Fostering Real-World Leadership

Middle schoolers (Grades 6-7) are stepping up. Taking over the logistics and **leadership** of the LiveSchool store to build real-world skills and school pride.

Growing Our Community Partnerships

Partnering with local organizations and the SPC.
Ensuring our school store remains a sustainable,
fully-stocked, community-backed initiative.

Charting the Next Flight Path Together

What do **YOU** want to see at the Beethoven and Ohrenberger schools?
