ABSANS DRAPO PA GARANTI DLO AN SEKIRITE

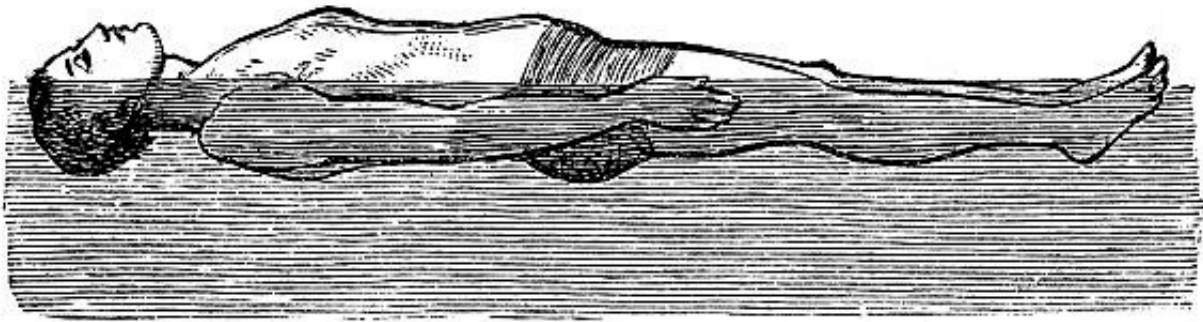

Li ka fè cho lè nou deyò. Sonje bwè dlo epi mete pwoteksyon kont solèy pou evite boule solèy.

**Naje se yon aktivite amizan epi li bon pou
fè egzèsis. Tout moun ta dwe konnen
naje.**

**Pou aprann naje, leson naje ak yon
enstriktè se pi bon bagay.**

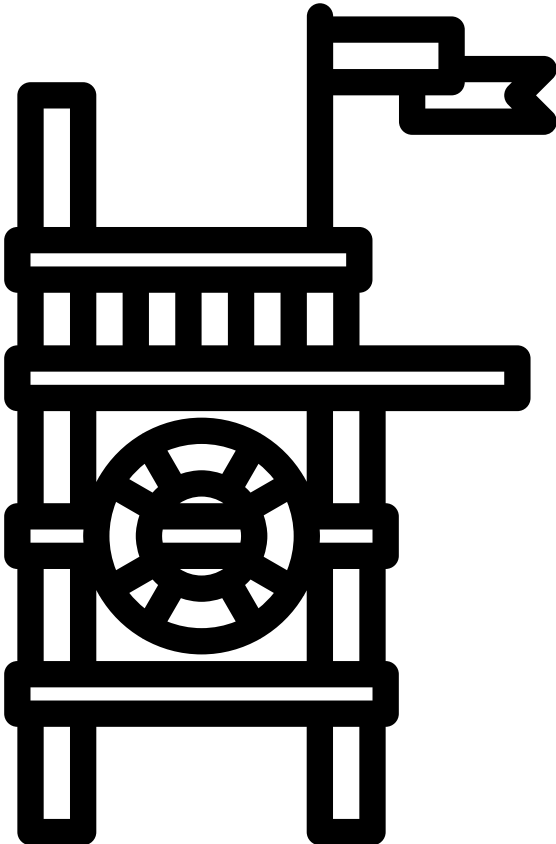

**Si ou panse ou nan pwoblèm pandan w nan
dlo a, pa panike.**

Panse tankou yon lout epi flote sou do ou.

Nou sèlman naje toupre yon sovè!

Nou sèlman naje nan "zòn naje ki dezijen pou sa" paske nou pa konnen sa ki anba a.

DANGER

Yon "zòn benyen deziyen" se yon kote ki an sekirite pou naje, sèlman lè gen yon sovè oswa yon granmoun responsab k ap veye sou ou.

Nou antre nan dlo a sèlman lè gen yon granmoun ki prezan e ki devan nou.

**Chak fwa nou sou yon bato, nou
mete jile sovtafaj nou yo.**

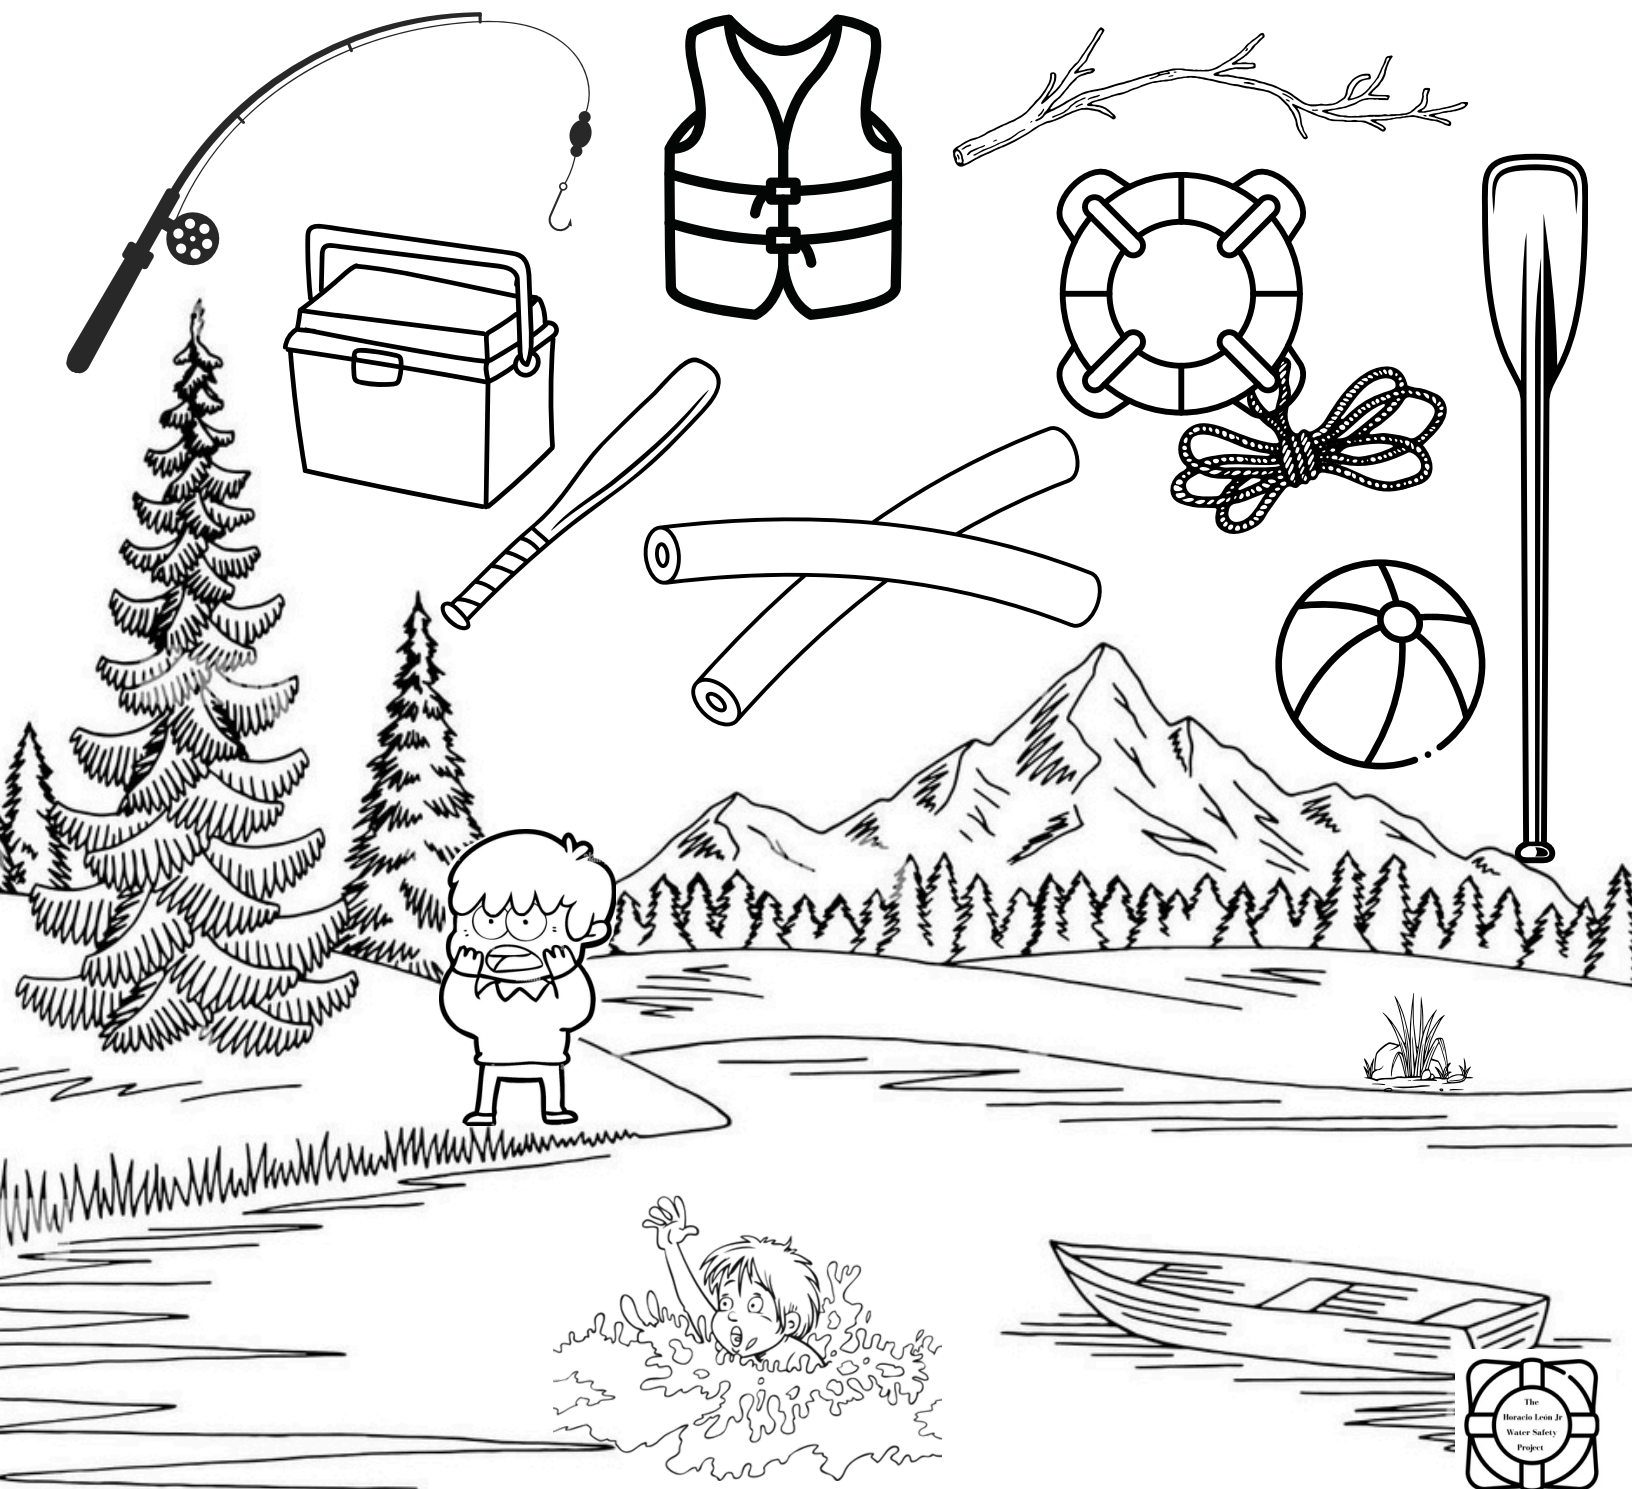

**Jile sovtafaj nou yo ede nou rete
anlè si nou tonbe nan dlo a.**

Si nou wè zanmi nou an nan pwoblèm, nou PA JANM sote nan dlo a pou sove l. Nou menm tou nou ka nan pwoblèm.

Premyèman, nou bezwen rele pou mande sekou!

Dezyèmman, nou chèche yon bagay ki flote epi nou voye l ba yo oubyen nou lonje men nou ak yon objè ki long. Menm jan ak bagay ki anba yo:

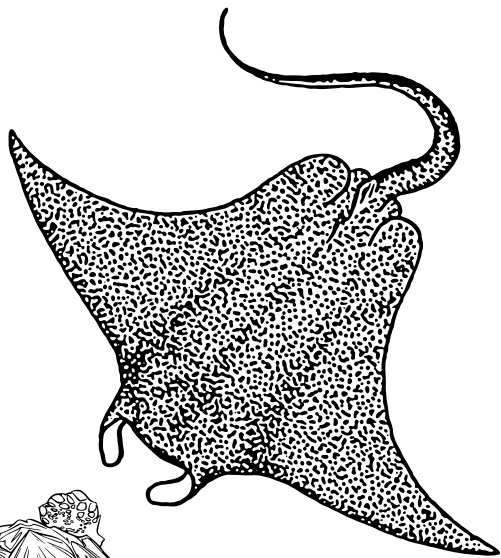

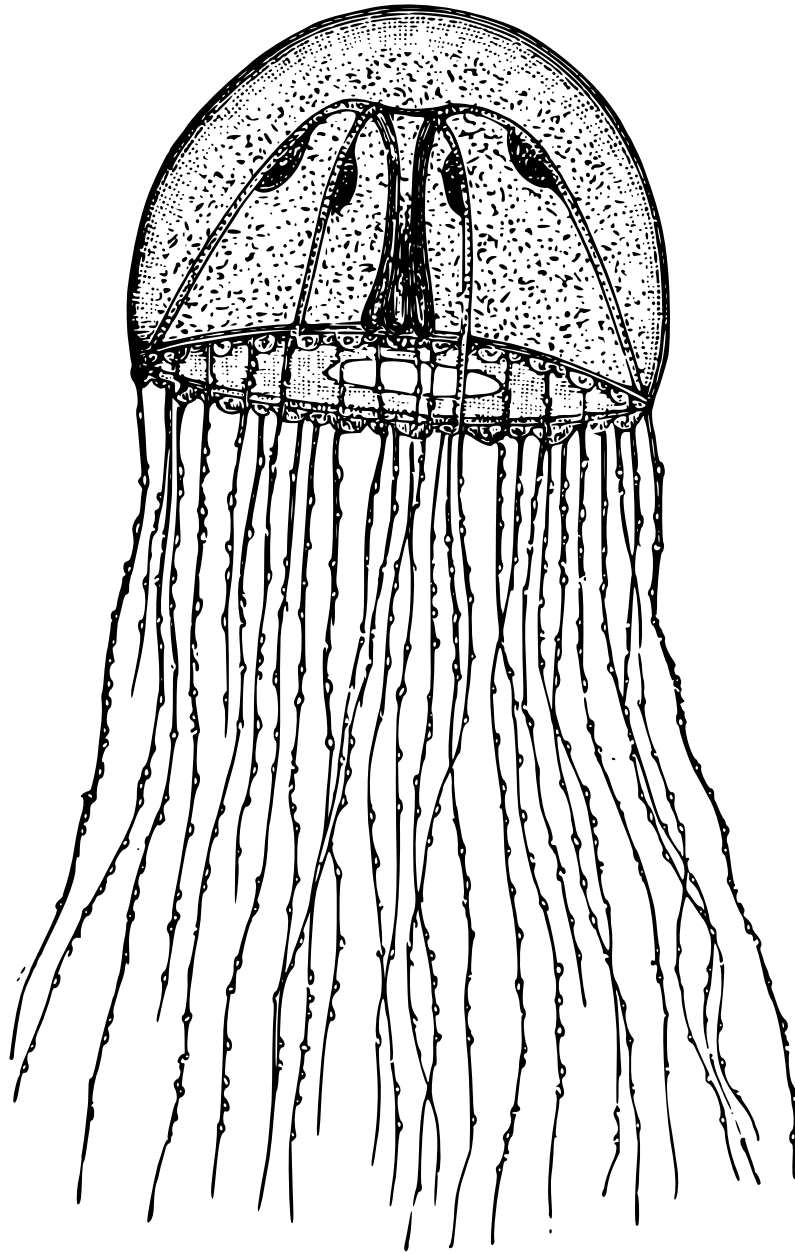

**Lè nou renmen aktivite deyò yo, nou toujou vle
respekte bèt sovaj yo, ni anndan dlo a ni deyò dlo a.**

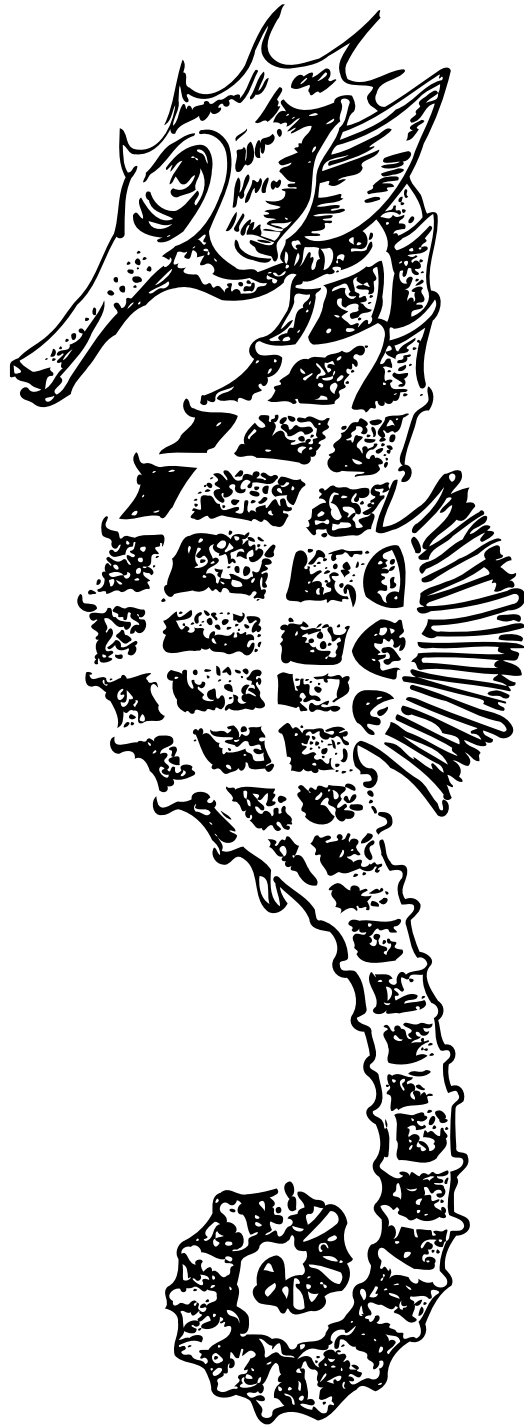

Nou toujou ranmase dechè nou yo.
