

JOB POSTING

The *American Citizen Defense Coalition* (ACDC) is looking for qualified individuals to fill below positions on an anticipated \$100,000,000 organization budget. Please consider the goals and objectives below before sending your resumé in.

Please send your resumé to smithie.lu@acdcoalition.org

We accept all positions “Pro-bono” early to secure your employment retroactively once budget is available.

All positions are negotiable depending on qualifications.

Operations begin now to coincide with this November presidential election.

Goals and Objectives: The American Citizen Defense Coalition aims to accomplish the following:

- Building a strategic alliance with freedom loving nations to support the oppressed.
- Returning the Right to landownership and the Right to assemble to the people of China, Cuba, East-Turkistan, North Korea, Tibet, and Vietnam.
- Declaring the original statehood of East-Turkistan as an independent nation.
- Declaring the original statehood of Tibet as an independent nation.
- Declaring Taiwan as an independent nation.
- Re-instating the government for the people, of the people, and by the people.
- Presenting to U.S. Congress several economic reform master plans to open up new markets for the U.S. economy to help solve the U.S. 36-trillion dollar debt crisis.
- Delivering the economic reform master plans to the people in these oppressive countries to include political, legal, economic, and social reform.
- Ratifying the ACDC by popular votes.

Be a part of individuals who will write a new chapter for America.
