

Dear Community Members:

In June 2019 five Syosset High School seniors were recipients of the PTA-STA Scholarship. Each will receive \$5,000 over a two-year period. The scholarships are made possible by the overwhelming support of the Syosset community. We need your continued support to provide future graduates with the financial assistance that helps them pursue their career goals. Scholarship information and application is emailed to all Syosset seniors.

Since 1958, the Syosset Council of PTAs (Parent Teacher Association) and the STA (Syosset Teachers' Association) have jointly sponsored the Syosset Scholarship Fund. Join us in recognizing and rewarding deserving seniors in the Class of 2020 by contributing your tax-deductible donation at website <https://syocouncil.memberhub.store> (QR Code below).

Credit card and processing fees will be applied or you may mail a check payable to:
