

Dear Syosset Community:

As the situation surrounding the novel coronavirus (COVID-19) and its impact continues to evolve, The Syosset Council of PTA's has decided not to hold the following Syosset Council of PTA's sponsored events/programs: Nutrition Event scheduled for March 18th and Harlem Wizards scheduled for March 28th.

While we recognize that postponements and/or cancellations are disruptive and disappointing, it is essential that we prioritize the health and safety of all members of our community, especially those who are elderly or have underlying health issues.

For those who have purchased a ticket for the Harlem Wizards event, additional details will follow shortly.

At this time, since the calendar for the remainder of the school year is full, we are not able to reschedule these events/programs for this year. We will do our best to reschedule during the 2020-2021 school year.

For building specific events or programs, please contact your PTA presidents or principal. Please continue to go to Syosset Central School District website for daily updates.

If you have questions or concerns, do not hesitate to let me know.

Sincerely,
Allison Berch
President of Council of PTA's
