

## 2019-2020 SYOSSET COUNCIL OF PTA'S

Special Committee Report  
Health and Safety Committee  
12.11.19 @ HBT

On Tuesday, November 19<sup>th</sup> the district held its semi-annual Health and Safety committee meeting in the Southwoods boardroom. The agenda for the meeting included discussion and follow up on annual fire inspections which are continuing as well as the scheduling of 2020 water testing for lead in all our buildings drinking sources. Additionally, guidelines on compliance and preventative maintenance schedules for all building systems were created so that all building principals are properly prepared for future inspections. Security and construction updates were provided for all outstanding and upcoming projects that will be completed over the course of the school year. For a more detailed meeting summary feel free to contact Allison Berch or myself.
