

928 Recording Cover Sheet

When recording your completed package in the county Recorder of Deeds Office or with your State Recording Secretary, you will be required to submit a cover letter with a list of the documents you are providing to be recorded. This gives them a place to record the various unique numbers that will be generated to identify your documents in either system.

A complete 928 package of documents submitted for recording will look like the following. All you need to do is change the red names to your own, always paying attention to capitalization, and correct spelling.

You will want to include all of your 928 documents, a copy of both, your Birth Certificate AND your Certificate of Live Birth, along with a "Diagram of the Fraud" that Anna puts out. This all adds more layers of evidence to your status.
