## COMPANY OVERVIEW

**Research Nation Global Inc.**, established in 2023, provides tailored research administration services to empower businesses, entrepreneurs, underserved communities and organizations without dedicated research offices. We deliver expert guidance in proposal development, grant management, and regulatory compliance to drive funding success, foster leadership, and promote strategic growth through innovative solutions.

## CORE COMPETENCIES

- Comprehensive pre-award support, including proposal development, submission, and compliance.
- Tailored funding searches and strategic guidance for improved success rates.
- Creation of detailed budgets, justifications, and administrative components for diverse funding agencies.
- Sponsor liaison services and management of grant lifecycle tasks.
- Oversight of funded accounts, budget forecasting, and financial compliance.
- Post-submission support for budget revisions, renewals, and progress reports.
- Preparation of customized administrative reports to meet organizational needs.

## PAST PERFORMANCE | DIFFERENTIATORS

Dr. Kelbrina M. Davis, Director of Research Nation Global Inc., brings over 25 years of expertise in research administration. During her tenure at Arizona State University (2010–2020), she excelled in roles such as Research Manager and Grant and Contract Officer, Sr., overseeing pre- and post-award processes, budget management, and schoolwide research operations. Dr. Davis has collaborated with renowned investigators, securing funding from agencies like USAID, NIH, NSF, DOE, DOD, NASA, and other federal, state, and private sponsors. Holding an Ed.D. in Education and Leadership (2020), her action research inspired the creation of "The Library for Research Administrators," promoting innovative training and global research support.
