

Test Report

July 15, 2026

Client: Vista Bonita Recreation Association
Project: Baker Lake
Lab ID: 6747
Date Received: 7/14/2026

The samples arrived intact and in non-conventional containers and/or containers from another laboratory.

The samples were received within the temperature range specified in the test method(s) and/or with thermal preservation in process.

The results contained within this report apply to the sample(s) as received and relate only to the item(s) analyzed.

Comments:

Thank you for choosing eAnalytics Laboratory for your laboratory services.
