

REHAB OFFICE BUILDINGS TO MULTI-FAMILY with RENEWABLE ENERGY & SAVE!

Boanerges Power Company, LLC is a Renewable Energy (RE) developer.

We build the Multipowered Load Balancer (MPLB) an automated advanced pumped storage solution with zero emissions. Embed the MPLB within your Rehab project and Unlock Savings!

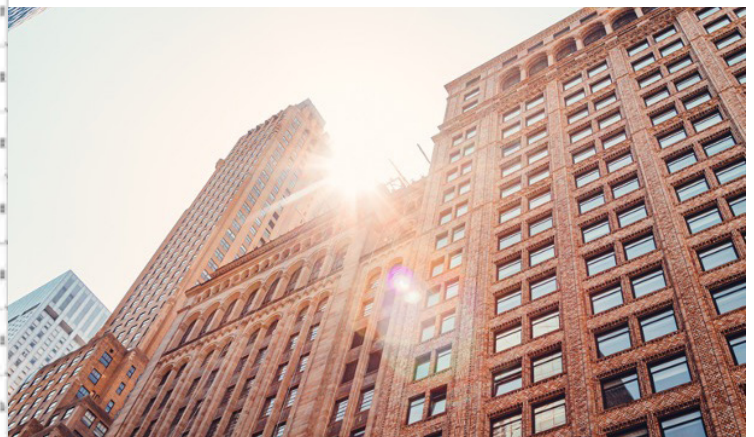

CPACE + IRA = NET POSITIVE COSTS

100% Finance our MPLB+ with a project of \$6M or more. Then you can access:

Inflation Reduction Act 2022 (IRA)

- Investment Tax Credits - Direct Payments
- Production Tax Credits - Direct Payments
- Energy Efficient Commercial Building Property Tax Deductions

Add an MPLB to your Rehab or New Construction Project and you will **REDUCE** your overall costs, shift risks to future owners, and/or realize Tax Benefits well into the future!
