

**Monday, December 1/25**

**From: Hornby Island Housing Society**

to HICEEC

The M'akola meeting was for people interested in making an application for tenancy. Two operations people gave a brief overview, answered some general questions and invited people to sign their names to a list to receive follow up from M'akola. No businesses were there. Perhaps 20 or more put their names on the list. Generally good enthusiasm.

A few people there left saying they realized it wouldn't work for them. e.g. just one pet allowed, neutered and under 30 lbs. or need two- bed for child who may want accommodation for some periods but is who not considered a qualified full-time dependent.
