SHARING WITH CARE, a few travelling tips for your visit.
 1. **Reduce, reuse, recycle.** Our communities live in balance with the natural world. Please recycle.
 2. **Conserve water.** Our fragile eco-system and communities rely on water from aquifers and wells to sustain us through these dry months. Please be considerate of water usage.
 3. **Check fire bans** and observe all local fire regulations and campfire bans.
 4. **Slow down,** and share the road with other drivers, hikers, bikers, and wildlife.
 5. **Small is beautiful.** Businesses on our islands are local in nature, we thank you for your support and patience during the busier summer season.

ENJOY YOUR TIME on our beautiful Islands.

Discover Denman Island
 Four provincial parks and an evolving network of green spaces cover a quarter of Denman Island's land mass. Walk the trails through the 60 ha **Central Park**, observe the rare ancient forest ecosystem of the **Lindsay Dickson Nature Reserve**, and discover the newly formed Provincial Park at Chickadee Lake. A good low tide walk is to take the stairs to Morning Beach and walk across, at low tide, to Tree Island, aka **Sandy Island Provincial Park**. On the southern tip of the island, wander to the ocean through old growth Douglas fir to **Boyle Point Provincial Park**. Watch the eagles and sea lions play under the watchful beacon of Chrome Island lighthouse. Or have a swim at **Fillongley Provincial Park** with its sand-shell beach, small campsite, and forested hiking trails.

Visitors to our islands should expect to find deer on our roads. Please drive accordingly.
 Hornby bound visitors, your B.C. Ferries Thru-Fare Ticket allows you a free stopover on Denman Island. We invite you to explore what our island has to offer: world class art studios, exciting festivals and events, good food offerings, and beautiful parks & trails. So come spend a day, or a week, and enjoy two islands for the price of one!
