TRAVEL ADVISORY

Explore Responsibly
We want your time here to be safe and enjoyable for everyone! Given the risk of a resurgence of COVID-19, we are encouraging all visitors, residents, and guests to follow the guidelines put forth by Dr. Bonnie Henry and the BC government.

10 Tips for a safe, enjoyable, and responsible visit to the Islands & Gateway Communities:

1. **Health first.** If anyone in your travelling group has been sick in the previous week or have flu-like symptoms, please stay home.
2. **Plan ahead.** Accommodations are limited, reserve ahead.
3. **Keep your distance from others.** Inside and out.
4. **Come prepared!** Carry a "clean trip kit" containing your own hand sanitizer, and wipes. A mask for public indoor areas is mandatory (and appreciated!)
5. **Explore patiently.** Our businesses have implemented provincially approved guidelines for cleaning and physical distancing to keep staff and patrons safe. We thank you for your patience and understanding with these changes.
6. **Less is more.** Many businesses will have limited capacity throughout the summer.
7. **Recreate responsibly.** Help our Emergency Services by recreating responsibly and being careful not to get injured.
8. **Reduce, reuse, recycle.** Our communities live in balance with the natural world. Please recycle.
9. **Conserve water.** Our fragile eco-system and communities rely on water from aquifers and wells to sustain us through these dry months. Please be considerate of water usage.
10. **Check fire bans.** Please observe all local fire restrictions and campfire bans.

Thank you for respecting our home, please enjoy your visit and remember to explore responsibly. We are all in this together!

DISCOVER DENMAN ISLAND

Four provincial parks and an evolving network of green spaces cover a quarter of Denman Island's land mass. Walk the trails through the 60 ha. **Central Park**, observe the rare ancient forest ecosystem of the **Lindsay Dickson Nature Reserve**, and discover the newly formed Provincial Park at Chickadee Lake. A good low tide walk is to take the stairs to Morning Beach and walk across, at low tide, to Tree Island, aka **Sandy Island Provincial Marine Park**. On the southern tip of the island, wander to the ocean through old growth Douglas fir to **Boyle Point Provincial Park**. Watch the eagles and sea lions play under the watchful beacon of Chrome Island lighthouse. Or have a swim at **Fiflingley Provincial Park** with its sand-shell beach, small campsite, and forested hiking trails.

**Visitors to our islands should expect to find deer on our roads.
Please drive accordingly.**

Hornby bound visitors, your B.C. Ferries Thru-Fare Ticket to our island has to offer: world class art studios, exciting festivals and events, good food offerings, and beautiful parks & trails. So come spend a day, or a week, and enjoy two islands for the price of one!
