HORNBY AND DENMAN ISLANDS

BUCKLEY BAY • FANNY BAY • DEEP BAY

2024/2025 VISITOR GUIDE

Welcome to our islands and gateway communities!
 You can swim and sunbathe in the warm weather, and in any season enjoy kayaking, hiking, cycling, birdwatching, and fishing. Public docks are located on both islands and Deep Bay. Visit the many year-round artisans' studios, browse the stores for staples and gifts; or just relax at your lodgings. Enjoy craft fairs, market days, great food, yoga studios, and excellent concerts and theatre productions. We invite you to share, with care.

Be aware that during the summer ferry capacities are limited and accommodation reservations are recommended.

Discover Hornby Island

Come visit our island year-round and experience its beauty, culture, and character. Use this map to find local attractions: the numbers correspond to the listings in the information boxes. The listings show whether businesses are open seasonally (S) or year-round (Y). For detailed information on current arts and events, go to www.hornbyisland.com and click the EVENTS tab.

Hornby is blessed to have a third of its land preserved in parks, and much of its shoreline open to public use. Tribune Bay Provincial Park boasts one of B.C.'s finest sandy swimming beaches. Hellwell Provincial Park offers a 5-km walk that circles above spectacular bluffs, through old-growth forest and Garry Oak meadows. The Mt. Geoffrey Parks have an extensive trail network for hiking and mountain biking. Note that smoking is prohibited in these forested areas.

Please appreciate our island's ecological realities. In summer, accommodations are limited; reservations at vacation rentals and campground are advisable. Water is limited. Overloaded septic systems can contaminate wells, groundwater, and beaches.

We invite you to discover this wonderful but fragile place for yourself, and to steward it. Slow down, conserve water, limit waste, recycle and practice safe fire behaviour. Bring a "grab n go" bag for unexpected emergencies. If together we walk lightly, the island can nourish us all for years to come.
