

The screenshot displays the PlugShare website interface. At the top, the browser address bar shows the URL <https://www.plugshare.com>. The website header includes the PlugShare logo and navigation links for "English", "Login", and "Register".

The main content area features a map of the Hornby Island region, with several charging stations marked by green location pins. The map includes labels for "Denman Island", "Buckley Bay", "Fanny Bay", "Hornby Island", "Mt Geoffrey Nature Park", "Norm Walton Forest and Watershed", "Tribune Bay Provincial Park", and "Boyle Point Provincial Park".

On the left side, there is a sidebar with a search bar labeled "Search for a Charging Location". Below the search bar is a "Legend" section, followed by "Filters" and "Region" (set to "North America"). The "Plugs (7 of 8)" section lists various charging plug types: J-1772, CHAdeMO, CCS/SAE, Supercharger, Tesla, Wall, NEMA 14-50, and Tesla (Roadster). The "Networks (15 of 15)" section lists various charging networks: blink, BC Hydro EV, ChargePoint, Circuit Electriq., Electrify Ameri..., EV Connect, EVgo, FLO, GE WattStation, greenlots, myEVrouter, and SmartCharge.

At the bottom of the map area, there are controls for "Charging Locations", "Traffic", "Map", "Terrain", and "Satellite". A cookie notice is visible at the bottom of the page, stating "PlugShare.com uses Cookies to help us personalize your experience and provide analytics to help us understand how our features are used. We've recently updated our Privacy Policy." with an "Accept" button.

The Windows taskbar at the bottom shows the system tray with the date and time: "11:40 AM 2019-05-10".
