

Commitment of Integrity

I. I will always follow the Bylaws. The Bylaws are what makes a Chapter successful. I realize that as a member of the Board of Directors, MY Chapter's success depends on my personal commitment to follow the Bylaws.

II. I understand that there will be members who will want to change LeTip's Bylaws, rules and procedures. I know their intentions are good, but I will always refer to the Bylaws as my code of ethics in all decisions.

III. There will be times when I must vote to terminate good friends and business acquaintances, but I know that this is a PROFESSIONAL BUSINESS CLUB and MY Chapter is relying on me to make the right decisions.

IV. When I signed my application to join LeTip, I agreed to follow all rules and regulations, and I will not go back on this commitment.

V. I realize it's the Board of Directors that will make MY Chapter
