**Ryder Cup:** President Kasch emphasized the need for an appropriate number of players for this event to take place, He suggested that 16 players would be an acceptable number for this event. A spirited discussion took place regarding the number of players required. Don Lucas believed that it should not be difficult to get 16 players for a one-day event. There was a consensus among the members that the 16 players would be suitable especially for a one-day event.

The event is scheduled for October 14, 2023. There is a 16-player minimum, October 8th is the cut-off date to register for this event.

A flyer for the event was emailed to membership on September 10th.
