<b>IDENTITY</b>
-----------------

Located in Laredo, Texas, Mary Help of Christians School is a private, Salesian, Catholic elementary school affiliated with the Diocese of Laredo, Texas, Office of Catholic Schools. The school is owned and operated by the Daughters of Mary Help of Christians (Salesian Sisters) together with dedicated lay collaborators in the education and formation of children in grades K-3 to eighth grade.

<b>VISION</b>
---------------

Mary Help of Christians School is a Catholic, Salesian school that strives to develop each student holistically– religious, moral, academic, psychological, cultural, social physical, and aesthetic – thus preparing the students “to open more and more to reality and to form in themselves a clear ideal of life.”<sup>1</sup>

<b>PHILOSOPHY</b>
-------------------

At Mary Help of Christians School, we find the very reason for our existence to be in the integral education of youth. We are committed to transmitting our Catholic and Salesian heritage to our students and enabling them to experience the gospel in daily life. We therefore, “fully enter into the saving mission of the Church, especially in the need for education in the faith.”<sup>1</sup>

We recognize that “parents are the first and foremost educators of their children.”<sup>2</sup> Our purpose, then, as Catholic, Salesian educators, is to serve as partners with parents whose teachings and formation are in harmony with Catholic doctrine and Salesian values.

Together as an educating community – students, parents, teachers, staff, and Sisters – we can offer a true education that is able “to integrate religious truth and values with life”<sup>3</sup> and form in the students a sense of belonging, not only to the school but also to “the parish, the neighborhood, the local civic community, and the world, and begin to respond to the obligation of Christian service through joint action.”<sup>4</sup>

As Salesian educators, we strive to follow the educational approach of St. John Bosco, by creating schools with a family spirit, emphasizing reason, religion and loving kindness, in a positive atmosphere of discipline, friendliness, and cheerfulness. In St. John Bosco’s own words, we aim to form our children to be “good Christians and upright citizens, empowering them with a joyful vision and hope of a better world.”

## MISSION STATEMENT

## **BISHOP**

Faithful to Salesian tradition, Mary Help of Christians School (MHCS) affectionately supports and collaborates with the Bishop. We therefore, “fully enter into the saving mission of the Church, especially in the need for education in the faith.” Effective administration is dependent on the mutual support and cooperation of the Provincial Office, MHCS Administration and the School Office in accordance with the teachings and directives of the Chief Pastor of the Diocese. In this way, we help our students and families to experience the Gospel in daily life.

## **SCHOOL OFFICE**

The school is administered in accordance with the policies and guidelines set forth in the Handbook of Policies and Regulations for Catholic Schools of the Diocese of Laredo. This handbook, together with the leadership of the School Office, is a practical expression of our Catholic vision and philosophy of education and focuses on the welfare of the whole child and the integration of faith with culture.

## **PROVINCIAL OFFICE**

Mary Help of Christians School is owned and operated by the Daughters of Mary Help of Christians (Salesian Sisters). Ultimate authority and approval rests with the Provincial Office for projects of development, expansion, large repairs or improvements.

The Provincial Office, together with the Sisters’ Council and other appointed members, serve as a deliberative and decision making body in areas of finances, school enhancement, policy, development and strategic planning.

## **ANIMATOR OF MHCS COMMUNITY**

The Animator is the Chief Executive Officer (CEO) of MHCS at the local level.

It is the Animator’s chief responsibility to ensure that Mary Help of Christians School provides a true, Salesian education in a setting within which “one’s faith can become living, conscious and active through the light of instruction.” (To Teach as Jesus Did, #102) “A true, Salesian education aims at the formation of the human person in the pursuit of their ultimate end and of the good of the societies of which they are a member, and in whose obligations, as an adult, they will share.” (Declaration of the Christian Education, #1)

## **PRINCIPAL**

The Animator delegates to the Principal the prerogative of decision-making regarding the school. The school Principal works in close collaboration with the Animator when making policy, procedural and employment decisions. The Principal of Mary Help of Christians School is ultimately responsible for the day to day operations of the school according to the dictates of the Diocesan Office of Education and the Texas Catholic Conference of Bishops Education Department (TCCB ED).

Responsibilities of the Principal include the hiring and evaluation of staff, the supervision of instruction, learning and curriculum development, and the professional development of the staff through in-service programs.

## **ASSISTANT PRINCIPAL(S)**

The Assistant Principal(s) work closely with the Principal of the school to enhance the educational experience of the teachers and students through innovative and signature educational programs, professional development and innovative teaching practices. In addition, they will assist the Principal in the hiring and evaluation of staff.

### **ADVISORY COUNCIL**

The Advisory Board is established to assist the School Administration in developing sound decisions concerning a variety of issues which may arise in the operation of the School. Final decisions remain solely with the Principal and House Council. The primary responsibility of the Advisory Board is to provide insights, expertise, and information to facilitate the decision making process.

### **SALESIAN PARENT TEACHER ASSOCIATION (SPTA)**

The members of the SPTA consist of all parents and teachers of MHCS. The mission of the SPTA is to promote the partnership between the parents and Mary Help of Christians School (MHCS), acting as a forum for communication, school spirit, and community awareness. The SPTA **does not** participate in School policymaking.

### **PARENTS**

“Parents are the first and foremost educators of their children” (Lay Catholics in Schools, #12). It is particularly in the Christian family, enriched by the grace and sacrament of matrimony, that from their earliest years children are taught, according to the faith received in baptism, to have knowledge of God, to worship Him and to love their neighbor. Faculty and Staff serve as partners with parents whose teachings and formation are in harmony with Catholic doctrine and Salesian values.

### **NON-CUSTODIAL PARENTS**

MHCS abides by the Buckley Amendment with respect to the rights of non-custodial parents. The Buckley Amendment, also known as Family Educational Right to Privacy Act, mandates that parents and students have the right of access to records and the right to request that statements be changed or deleted. The school may refuse to change or delete records. Statements made by parents or students may be included in the record. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order to the contrary limiting or restricting visitation and/or pick up of the student, or if there is a current restraining order to be enforced, it is the responsibility of the custodial parent to provide the school with an official copy of the court order signed by the judge and to alert the Administration immediately.

### **GRIEVANCE PROCEDURE**

A “grievance” is a complaint based on any alleged violation or inequitable application of rules or policies. The primary purpose of a grievance procedure is to secure, at the lowest possible administrative level, equitable solutions to problems, which may arise from time to time. MHCS’s Grievance Procedure is intended to resolve grievances in a cooperative, Christian atmosphere. No participant is entitled to representation (legal or otherwise) in these proceedings. All parties shall agree that grievance proceedings shall be kept appropriately confidential. A copy of the grievance procedure may be obtained from the Principal’s office.

3. Specific preparation in the second grade for First Reconciliation and First Eucharist.
4. Opportunities for meaningful moments of prayer throughout the day, devotion to Mary, Stations of the Cross, Adoration, mission awareness, and outreach to the poor and the needy.

### **EDUCATIONAL TECHNOLOGY**

The purpose of computer instruction at MHCS is to inform our students of the technology resources that are available and the skills needed to navigate the digital world. Technology is an ongoing process and is continually changing. It demands constant learning. When technology is truly integrated into the curriculum, it is transparent and routine. The use of technology tools are most effective when they become an integral part of how the classroom functions.

### **ART INSTRUCTION**

Students in grades PK3-8 participate in art class once a week with a specialized art instructor. The art curriculum includes instruction in techniques, projects, art history, and art appreciation, according to age.

### **MUSIC INSTRUCTION**

Lost books are subject to a fee of \$20.00.

## **PHYSICAL EDUCATION**

Participation in Physical Education is required for all students in accordance with Texas Education Agency requirements. PE grades reflect skill, participation, and a student's responsibility in dressing out with the required PE attire.

Students excused from PE still come dressed out. Only a written slip from a doctor to the PE teacher will excuse a student from the PE activity and will be given an alternative written assignment.

## **HOMEWORK**

Homework is given by the teachers to reinforce concepts and skills taught in class. Homework is assigned daily from Monday through Thursday. It is important, therefore, that homework be done by all students and returned the next day, or whenever the teacher specifies. All students from Grades 1-8 are required to have a School Assignment Book to copy daily assignments. Homework is posted on Remind for the week and updated daily as needed. Students and Parents are urged to check daily.

No one is allowed to drop off homework or projects at the Office for a student. If a student forgets an assignment at home, the student has to accept responsibility for his/her actions and learn from the consequences.

The following are average homework time allotments, keeping in mind that some students may require more or less time to complete an assignment, and that this time allotment includes time that students are expected to be engaged in independent reading:

- PK3                    20 minutes
- PK4-K5:            30 minutes
- Gr. 1-3:             1 hour
- Gr. 4-5:             1 ½ hours

Not submitted on date and time due – 10-point deduction

2 days past due date – 20-point deduction

3 days past due date – 30-point deduction

Any work turned after the 3 days will be considered and entered into Plus Portals as a “zero”.

No lessons or school work will be provided to students who are planning ahead of time to miss school for non-illness or emergency-related reasons outside of the calendared MHCS vacation days, as those would be considered unexcused absences. Upon the students' return, he/she will be given missed homework assignments which must be completed within the same number of days that the student was absent. For example, if the student was absent 3 days, all missed work must be completed within 3 days.

The purpose of athletics is to provide physical training, Sportsmanship, character formation, and school spirit by developing a sense of self-control, fair play, and team effort in the students. Some sports have national affiliations. Girls' and Boys' sports teams, Elementary Cheerleaders, Stallionettes Dance Team, and Mini Cheerleaders take part in scheduled games, tournaments, competitions, and performances. Guidelines and participation are subject to the Athletic Contract and Student Handbook. Parents of athletic students MUST register with the Rank One Program, in order to be kept informed of students' eligibility to participate in Sports.

These forms are to be turned in directly to the School Health Coordinator.

### **SPORT CONTRACT**

Every student athlete must have a sport contract signed for each sport before participation in any practice session, scrimmage, or game of that particular sport. Mini Cheerleaders, Cheerleaders, Flags and Streamers, and Stallionettes take part in scheduled games, tournaments, competitions, and performances. MHCS rules are distributed to all members and their parents/guardians; students and parents/guardians must adhere to all rules. Failure to follow these may result in dismissal from the team and their activities. Inappropriate behavior on the part of students, parents, or spectators representing MHCS may result in dissolving the team.

The purpose of the Mini Cheerleaders, Cheerleaders, Flags and Streamers, and Stallionettes is to build up school spirit at all athletic competitions, and to represent the standards and values for which Mary Help of Christians School stands. The girls may not participate in competitions or parades unless they represent the school at all MHCS required sporting competitions and events.

The WBCA Parade participation will be determined by attendance to practices, required events, and Sponsors' discretion. With Administrations' approval, a parade committee composed of parents and MHCS staff will be created. This committee will be required to attend any/all WBCA Parade events. (These may include registration, set-up, take down, and donations).

The Administration appoints a Sponsor. The Sponsor may recommend a trainer. If so, parents pay a monthly fee/one-time fee to cover the cost of training. The Uniform is recommended by the sponsor and approval is given by Administration.

Tryouts for the next year will take place during the last month of the present scholastic year. Mini Cheerleaders members are chosen from grades PK4, K5 and 1<sup>st</sup> Grade. Cheerleaders are chosen from students in grades 2<sup>nd</sup> - 8<sup>th</sup>. Flags and Streamers are chosen from grades 4<sup>th</sup> - 8<sup>th</sup>. Stallionettes are chosen from grades 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup>. These students must exemplify the values of Mary Help of Christians School and meet the grade requirement.

The main objective is to cheer / perform during our games both at home and away, at Pep Rallies and school functions. Due to the demanding nature of Cheerleading, Cheerleaders are allowed to participate in only one other sport per season.

## **DISCIPLINE**

### **CODE OF DISCIPLINE**

Our philosophy of discipline at Mary Help of Christians School involves parents, educators and staff who are called to form the hearts and minds of the young, moving them to choose to become good Christians in life and honest citizens of our world. It is our endeavor to sustain a joyful, hope-filled and life-giving environment where the young are challenged to always give of their best and where anything less than their best is discouraged. Discipline is the lived experience of good, and the desire for good. Discipline is demonstrated through behavior. At MHCS, behavior will be divided in the following categories: classroom, playground, lunchroom, accountability and dress. When there is an infraction, the category with a number will be sent to the parents.

- 3 – POINTS OFF: in the designated category, with a description and the number of points being taken off. Anything from one to five points will be taken off depending upon the seriousness of the infraction. (POINTS OFF/PARENTS RECEIVE NOTIFICATION)

**PLAYGROUND:** kind language, fair play, takes care of personal needs at recess;

**LUNCHROOM:** good manners; area clean

**ACCOUNTABILITY:** follows directives for school arrival and dismissal, punctuality, (one point for every five minutes late) turns in all electronic devices (this is an automatic loss of five points because of the potential danger to others in using a cell phone); and

**DRESS:** wears the required uniform and/or follows the proper dress code.

Although parents will be notified through the (Parent Communication App), it benefits your child's formation of character that s/he have a conversation with his/her parents before it becomes necessary for the teacher or an administrator to request a conversation regarding behavior that is detrimental to the student's good citizenship.

### **PARENT CODE OF CONDUCT**

The relationship between parents and teachers is a privilege and a precious trust that is nurtured by respect and truth. Parents who are abusive in their relationship with faculty and/or staff lose the privilege of interacting with their child (ren), teacher, coach etc.

A second violation indicates that a working relationship between parents and teachers cannot be maintained and will result in Administration asking the family to withdraw from Mary Help of Christians School.

- **Email**                      Please remember to be respectful at all times, otherwise you
- **Remind**                      will be removed from chat, remind, etc.
- **WhatsApp**

### **STUDENT CODE OF CONDUCT**

We teach our students to strive to follow Jesus' command to "love one another" in all of our interactions with each other and with the faculty and staff. Therefore, students of Mary Help of Christians School:

- ♥ B----be a good example
- ♥ O----obedient to authority
- ♥ S-----self-discipline
- ♥ C-----Christ-like
- ♥ O-----optimistic, joyful

### **SCHOOL PRIDE**

Students benefiting from the values of MHCS take pride in their school and strive to keep it safe, clean and orderly. An environment that encourages good learning is maintained by:

- ♥ Doing the right thing at the right place, at the right time for love of God and others
- ♥ Showing everyone respect and consideration
- ♥ Wearing the school uniform with pride and dignity
- ♥ Knowing, understanding and appreciating the purpose of all school rules
- ♥ Moving in a quiet and orderly manner
- ♥ Being prepared and responsible for all assignments/materials/personal property
- ♥ Developing good study skills and an enthusiasm for learning
- ♥ Refraining from gum chewing or any behavior that litters, soils, defaces or destroys school property

### **MHCS BULLYING POLICY**

**Bullying** is a form of abuse, and therefore is forbidden in our Catholic schools. Bullying typically consists of direct behaviors, such as teasing, taunting, threatening, hitting, shoving, and stealing. But it might also be indirect, such as spreading rumors that cause victims to be socially isolated through

intentional exclusion. Cyberbullying, which involves the use of the Internet or mobile phones to send inappropriate messages and images to or about others, is also behavior that is not tolerated in our Catholic schools. MHCS will enact consequences when one or more of the following behaviors that interfere with the students' educational opportunities are reported to administration:

- When a person is exposed to negative actions
- When one person has more power, so the person being victimized feels that s/he can't defend him/herself
- When a person, who is a target, may feel embarrassed, hurt, scared, and/or angry and the student is not able to defend him or herself appropriately.

All aspects of bullying are included:

- Physical aggression: pushing, grabbing, hitting, shoving, pinching, spitting, tripping, etc.
- Social alienation: gossiping, embarrassing others, ethnic slurs, excluding from a group, comments made toward a person regarding their choice of practice of an alternative lifestyle, etc.
- Sexual Harassment: Inappropriate comments, touching, rude remarks, etc.
- Verbal Aggression: mocking, put-downs, using profanity at others, etc.
- Intimidation: threatening others to do something, threatening with a weapon, playing a dirty trick, hazing, etc.
- Cyberbullying: using electronic information and communication devices to include and not be limited to email messages, instant messages, text messaging, cellular phone communications, internet blogs, internet chat rooms, internet postings, and defamatory websites that deliberately threaten, harass, or intimidate individuals or groups to the extent that it causes the individual to fear harm or disrupts the orderly operation of a school. When necessary, legal action will apply in accordance to David's Law (Senate Bill #179).

It is important to note that every reported behavior, both in and out of school, will be investigated. Actions off of MHCS's school campus that affect us on campus are subject to disciplinary consequences.

Parents will be notified of disciplinary infractions through write-ups sent home by the teacher, requiring a parent signature. Students who are written up are required to return the write-up to their teacher the following school day. If students do not return signed write-ups, the parents will be called; additional write-ups will be given.

The faculty and staff of Mary Help of Christians School believe that creating an appropriate learning environment is critical. Learning is what school is all about. Good learning conditions are critical and discipline problems are a threat to learning. Appropriate behavior and discipline is of the utmost importance. Mary Help of Christians School uses an age-appropriate discipline program to assist in this effort.

### **PK3 - K5**

- Students receive a happy face, a warning, or a sad face on the Behavior Calendar on a daily basis. Before a student receives a warning or sad face, they have already received verbal warnings. Certain behaviors such as hitting or biting receive an automatic sad face along with a phone call to the parent and will not receive any prize.
- If the student has attained a happy face all week, s/he will get the opportunity to go to the prize box on Friday (or day designated by the teacher).

- If a student receives a warning or sad face, the teacher will document an explanation of the behavior on the Behavior Calendar and **MUST** be signed by a parent.
- If a student receives two sad faces in the week, the teacher will contact the parent to address the issue. A parent conference may be called when necessary.
- If a student continues with the inappropriate behavior, other disciplinary measures will be taken, designated by the Director of the Learning Center and Principal.

### **Grades 1 - 2**

- Students receive a daily sticker or stamp, a warning, or a comment on their behavior calendar on a daily basis.
- Students will receive three verbal warnings from the teacher.
- If a student continues they will receive a comment on the calendar regarding inappropriate behavior
- If a student receives two comments in the week, the teacher will call or set up a parent-teacher conference
- If a student persists, a Parent/Teacher/Administration meeting with the student will be scheduled. A Written Action Plan will be completed and signed by the student and parent in the presence of the Teacher and Administration.
- If a student continues with inappropriate behavior, other disciplinary measures will be taken, designated by an Administrator.  
For **grave infractions** of school rules, students will immediately receive a write up and a consequence.

### **Grades 3 - 8**

The charts that follow indicate possible infractions for which students will be written up and the consequences that result.

Each write-up will indicate the number of points taken off the conduct grade for the quarter.

Students begin each new quarter with 100%.

- First offense – Students will receive a verbal warning from the teacher and an e-mail sent home informing parents of point deduction, (if applicable).
- Second offense – Teacher will call home for a parent meeting which will include the student about offense and point deduction.
- Third offense and following – Suspension and point deduction.

For grave infractions of school rules, skip steps 1-2, and students will immediately receive a write-up and consequence.

### **After School Care**

All the above expectations are expected at ALL times. Consequences will be followed through as stipulated by grade level.

<b>Level 1- Offense</b>	<b>1<sup>st</sup> Offense</b>	<b>2<sup>nd</sup> Offense</b>	<b>3<sup>rd</sup> Offense</b>

**CONDUCT PERCENTAGE:** Students receive a cumulative conduct percent at the end of each quarter. Each week the same grade is updated and becomes final at the time of report cards. The following matrix is used when calculating a conduct percentage:

When the infraction involves:	Level 1	Level 2	Level 3
Only the student him/herself	1	3	5
The student and one other person	3	5	8
The student and others	6	8	10
Disrespect	9	11	12
Destruction	10	12	15

\*\*\*Subject to change at discretion of Administration

**CLARIFICATION OF TERMS**

Probation means that a student may not play sports, (attends practices but is benched), may not participate in a club, and may not attend any field trips for that quarter until grade check (two weeks after Report) indicates that the probation is lifted. Suspension means that a student will not attend class for a specified number of days. Assignments must be completed without credit.

Bullying means unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Both students who are bullied and who bully others risk having serious, lasting problems. In order to be considered bullying, the behavior must be aggressive and include: An Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people. Repetition: Bullying behaviors happen more than once or have the potential to happen more than once. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, cyber bullying and excluding someone from a group on purpose.

**SEARCH AND SEIZURE**

All belongings brought on campus become the property and responsibility of MHCS. The school Principal and/or her designee may search students, student desks, lockers and belongings including, but not limited to, handbags, briefcases, backpacks, and other items in a student's possession. The finding of illegal / prohibited substances and objects will result in disciplinary action and seizure of the same.

**WEAPONS**

Weapons are not allowed on school property.

## **VIOLENCE – THREATENED AND/OR ACTED**

Violence, whether threatened and/or acted upon, is not tolerated at Mary Help of Christians School.

## **BEHAVIOR IN AND OUT OF SCHOOL**

Students must remember that their school behavior reflects their home and school training both positively and negatively. They must, therefore, bring honor to their families and school by their respectful, mannerly conduct at all times. Parental cooperation is needed to foster among the students such attitudes as reverence at prayer, respect for others, truthfulness, honesty, non-violent resolution of conflict, respect for the property of others and the application of Christian values to everyday situations.

Mary Help of Christians School parents and students set a Christian example and act in an appropriate manner on and off school premises, at school-related activities, functions and events.

Any conduct both in and out of school that reflects negatively upon the reputation of the school may be subject to disciplinary action. The school reserves the right to discipline a student for actions committed off-campus if they are intended to have an effect on a student or they adversely affect the safety and well-being of a student while in school.

## **STUDENT SERVICES**

### **FIELD TRIPS**

Field trips, with preparations and follow-up activities are planned as an extension of classroom instruction. Permission slips signed by parents are required for each field trip. Since field trips are part of the regular instructional program, the school Salesian T-Shirt and jeans will be worn unless the school directs otherwise. School or chartered transportation will be provided for these field trips, as carpooling is not permitted.

Attending a field trip is a privilege, not a right. Students can be denied participation in field trips if they fail to meet academic and behavioral requirements. If a child is ineligible to go on a field trip, s/he must stay home and will be marked as absent.

If for any valid reason parents do not wish their child to participate in a scheduled class field trip, the only option is to keep the child home from school. This will be recorded as an absence.

Every student who takes part in any other Mary Help of Christians School field trip **MUST** have a signed permission form for each trip. In the event your child forgets his/her form, please download / print the form below and return it with the amount of money required to the school office prior to the students' departure.

**\*\*Please copy, print and fill-in the Permission Slip on the next designated page if you have misplaced the permission form sent home with your child. You will find the information for Field Trips online.**

## **FUNDRAISING**

The actual cost for educating one child in a private school setting is much higher than the stated tuition. For this reason, we designed a fundraising and service hour program in order to make Catholic education possible:

**October: Casino Night**  
**November: World's Finest Chocolates**  
**December: Christmas Posada**

**January: Krispy Kreme**  
**February: Valentine's Sale/Popcorn**

Tuition, fees and payments are taken care of by the finance department of Accounts Receivable, Mrs. Socorro Ramos. Payments will are taken care of by the finance department of Accounts Payable, Ms. Ana Cristina Gutierrez.

### **Delinquent Tuition**

Unless prior arrangements have been made, a 10% Late Fee or a minimum \$25.00 is applied monthly for all unpaid past due balances until paid. This is applicable to tuition, fees, and student activities, all and any invoices independently.

Each Semester, parents with financial debts to the school will be asked to keep their children home until a meeting can be arranged to remedy the situation. If financial obligations are not met, services to the family will be terminated. This includes: extra-curricular activities, recognition, promotion, and graduation ceremonies, including the issuing of cap and gown. Parents will not have access to students' grades and report cards will not be released until all financial responsibilities are met.

If an account becomes delinquent, re-admission forms will not be given for the new school year. The family may apply for re-admission only after the delinquent account has been settled and if space is available. This will happen only when the family has made no attempt to communicate and work at making some arrangement. Should the special financial arrangement be broken, MHCS will terminate all services to the family.

### **Non-Sufficient Funds Checks**

Parents are responsible for a \$50.00 fee for bounced checks. When a family submits an NSF check, it will be required that future payments be made in cash, money order, cashier's check, or credit card.

All financial obligations must be cleared or addressed by May 1 of the current year for all grades.

8<sup>th</sup> Grade financial obligations **MUST** be current by the first Friday in April in order to take part in the annual educational trip.

The family's payment schedule must be in good standing for a family to re-apply for tuition assistance. Students receiving tuition assistance must maintain passing grades and nothing lower than a 90% in conduct. Families on Tuition Assistance must have extra-curricular activities approved by the Tuition Assistance Committee and Administration.

### **Tuition Reimbursement**

## **PARENT INVOLVEMENT**

**“Parents are the first and foremost educators of their children.”** (The Catholic School, #9) Our purpose at Mary Help of Christians School is to serve as partners with parents whose teachings and formation are in harmony with Catholic doctrine and Salesian values.

Let us work together to make counter cultural choices to improve this age . . . “to integrate religious truth and values with life” (To Teach As Jesus Did, #105) and form in the students a sense of belonging, not only to the school but also to “their parishes, the neighborhoods, the local civic community, and the world, and begin to respond to the obligation of Christian service through joint action.” (Ibid, #109)

### **ADVISORY BOARD**

Members of the Advisory Board are chosen by the CEO and meet regularly with the CEO and Principal to discuss pertinent matters of the school. Though their expertise and counsel are highly valued, their voice is strictly advisory. Decisions remain in the hands of the Sisters’ Council. The Advisory Board is governed by their proper By-Laws.

### **SALESIAN PARENT TEACHER ASSOCIATION (SPTA)**

All school parents hold automatic membership in the MHCS SPTA, which is the primary supporting organization of the school. Dues are paid annually at the beginning of the scholastic year. Meetings are indicated on the school calendar. Attendance at these meetings demonstrates a parent’s willingness to serve as partners with Mary Help of Christians School in the education of their child/ren. Spending time with the teachers and administration is a vital means of getting to know one another and working in harmony for the benefit of the child/ren.

One service hour is credited when one or both parents attend the SPTA meeting. The maximum number of hours that can be earned at SPTA night is one hour whether one or both parents attend.

### **SPTA OFFICERS**

SPTA Officers run the Salesian Parent Teacher Association (SPTA). These members may be elected and/or appointed. The purpose of the Officers is to foster a partnership between the home and school, which shall aid the Sisters in providing programs and financial resources for the improvement of the educational programs of the school. SPTA meetings and/or family formation activities are scheduled monthly.

### **SPTA COMMITTEES**

Parents are encouraged to join one of the many committees on the SPTA. Most active among these committees are the SPTA Officers and the Room Mothers. Other committees meet on an as need basis.

### **PARENT WORKSHOPS**

Workshops for parents will be provided periodically throughout the year.

### **ROOM MOTHERS**

This is a very active committee, spending a lot of time interacting on behalf of students, teachers and families. Any parent may join the Room Mothers' Committee and volunteer for a specific homeroom classroom. Two parents from each homeroom will be chosen to serve as head Room Mothers. These head Room Mothers along with the other room parents are responsible for organizing class celebrations and volunteer help for the various activities and fundraisers throughout the year. Room Mothers are a vital support to the teacher and to the SPTA Officers.

Another important duty of Room Mothers is to communicate school information quickly and accurately to the other class parents through a well-organized social media network. For the purpose of this network, your phone number will be given to the Room Mothers of your child's class. The Room Mothers must keep this information confidential.

Reasonable, kind, friendly communication as faith-filled adults goes a long way in providing the best environment within which your child can enjoy his/her educational and formational experience.

### **CONTRIBUTED SERVICE HOUR PROGRAM**

This policy statement is to outline the terms and conditions of the "Contributed Service Hour Program" for the current school year. This policy statement contains specific guidelines to help make the service hour program successful.

1. All parents/legal guardians are required to donate 24 hours of service to Mary Help of Christians School. Only parents/legal guardians listed on MHCS registration records can be credited with Service Hours. Any hours accumulated in excess of the minimum requirement will be appreciated although not credited to any other school year.  
Only authorized personnel designated by the Administration may approve service hours.
2. Service hours are as indicated on the Service Hour Log form.
3. Contributed Service Hours may not make up for missing Required Hours.
4. Parents/Legal Guardians must keep their "Service Hour Log" form updated. It is the responsibility of the parent/guardian to periodically turn in the Service Hour Log form to the Front Office.
5. Original Service Hour Log forms (with original authorized signatures) are to be used at all times. Forms are available at the Front Office. **It is the responsibility of the parent/guardian to have their form available at all activities for immediate signature by authorized personnel.**
6. Lost or misplaced forms are the responsibility of the parent/guardian. MHCS personnel are not responsible for assisting in recreating lost forms.
7. Service hour forms are due at the May SPTA Meeting.

You can also provide a service not mentioned on the list, with the approval of Administration. That service may go towards the completion of your hours.

### **PARENT/GUARDIAN/VISITOR PARKING**

Parents, guardians, and visitors coming to MHCS, to the finance office, to the school office or to conduct any school related business are to enter through the front gate. Marked visitor parking spaces are available to the left in the front lot, and extended parking is located at the porch parking lot. The official MHCS car tag should be displayed any time vehicles enter the school grounds. Each family receives 2 car tags. Additional car tags are available at the Office of Student Affairs for \$5.00 each.

## **FAMILY FUN ACTIVITIES**

Several times during the School Year, MHCS invites our families for a fun night, picnics, sports games, etc. to foster a bond among our families.

## **NON-CUSTODIAL PARENTS**

Mary Help of Christians School abides by the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order to the contrary limiting or restricting visitation and/or pick up of the student, or if there is a current restraining order to be enforced, it is the responsibility of the custodial parent to provide the school with an official copy of the court order signed by the judge and to alert the Principal immediately.

## **VOLUNTEERS**

Parents are urged to volunteer services in their area of expertise for the benefit of the school. It is a sign of educational excellence and a proven educational fact that the school, which has a high rate of parental involvement, also has a high rate of student performance. It has been a tradition at Mary Help of Christians School that parents are involved, and we encourage the continuation of this tradition.

All volunteer parents, Room Mothers, and Coaches at MHCS must bring into the Student Affairs Office a record of their criminal background check and Safe Environment Training.

## **TECHNOLOGY ACCEPTABLE USE POLICY**

### **Acceptable use**

Good digital citizenship is good citizenship. Good citizenship is expected everywhere, all the time, in person or online, whether in the hallway or using a digital device. The following rules of good citizenship should guide all of our actions, even in the use of technology and connectivity at MHCS.

Good behavior is expected of all students and staff:

- Respect and Protect Yourself
- Respect and Protect Others
- Respect and Protect Property

The use of Internet and related technologies must be in support of education and research and consistent with the educational objectives of the school. Use of other organizations' networks or computing resources must comply with the rules appropriate for those networks. Students must have a teacher's permission before using any computer for any reason and must be under supervision.

### **Consequences of Misuse**

Students guilty of misusing technology will receive consequences according to the nature and severity of the misuse. Consequences will be similar to the consequences for violating other school rules and may include being given limited or no access to technology for a specified amount of time. The use of the Internet and related technologies is a privilege, not a right, and inappropriate use may result in cancellation of those privileges.

### **Warranties**

The educational programs governed by the school make no warranties of any kind, whether expressed or implied, for the service it is providing and will not be responsible for any damages users suffer. This includes loss of data resulting from delays, no deliveries, mid deliveries, or service interruption. Use of any information obtained via the Internet and related technologies are at the user's own risk. The student or parent/guardian will be responsible for any financial obligation incurred through the

use of the Internet and related technologies that are not previously approved as part of the school budget.

### Usage of Electronic Devices

Students have the privilege of using electronic devices at the discretion of the teacher. The usage of all devices remain at the discretion of MHCS and student usage privileges may be revoked if misused. All students must have a signed copy of the technology usage and monitoring policy on file.

Any damages resulting from student misuse will lead to parents being billed for the expense of fixing or replacing the technology.

### Deledao Monitoring Policy

**Mary Help of Christians School** is committed to creating a safe and educational online environment for all students. To support this commitment, the school uses **Deledao**, a **CIPA-compliant** (Children’s Internet Protection Act) web filtering, student wellness, and classroom management tool. This software helps safeguard students from inappropriate content and allows teachers to monitor online activities in real-time while on campus.

#### **1. Web Filtering, Monitoring, and Classroom Management**

- **Deledao** provides web filtering to block harmful or inappropriate content while students are connected to the school’s network. It also monitors wellness indicators like cyberbullying or accessing harmful material, allowing the school to intervene when necessary for student safety.
- Deledao blocks the following categories for the protection of students:
  - **Abortion**
  - **Drugs**
  - **Games**
  - **Self-harm**
  - **Social networking**
  - **Adult content**
  - **Sexuality**
  - **Alcohol and tobacco**
  - **Intimate apparel and swimsuit**
  - **Sex education**
  - **Dating**
  - **Gambling**
  - **Proxy and VPN services**
  - **Violence**
- Deledao uses **real-time analysis** and **real-time video and image analysis** to continuously assess and block inappropriate content as it appears. However, **Deledao is not 100% accurate**, and parental monitoring is advised to ensure students remain safe outside of school hours.

#### **2. Classroom Monitoring by Teachers**

- Teachers use Deledao’s **classroom management feature** to monitor and view students’ screens in real-time while they are using their **school account profiles** during class.

This tool allows teachers to:

- **Be proactive** in preventing distractions by monitoring what students are viewing or working on during class time.
- **Assist students in real-time** by offering support or guidance based on what they are working on.

Control student activity by:

- **Blocking or allowing websites** as needed.
- **Closing tabs** that may be distracting or off-task.
- **Sending direct messages** to students through the platform for guidance or redirection.
- **Taking screenshots** of student screens to document behavior or issues.
- **Blocking access** to certain sites or apps when necessary to keep students on task.

Additionally, teachers may **create groups** for specific **classroom policies or rules** using Deledao's **site banks** feature. This allows teachers to customize access and restrictions for **different groups of students**, ensuring that each group is subject to the appropriate **policies or content restrictions** based on the activity or lesson plan.

### 3. Parental Involvement with Deledao

- Parents are encouraged to participate in their child's digital wellbeing by registering for a **parental Deledao account** through the school's technology department. This account allows parents to:
  - **Monitor their child's internet usage** outside of school hours, including weekends, holidays, and during the summer.
  - **Set screen time limits** and restrict access to certain websites or apps.
  - **Receive real-time alerts** for concerning online behavior that occurs after school hours.
  - **Add or block internet access** on their child's device as needed.

This service is offered at **no additional cost** to parents, as it has been covered by the school's prior payment.

### 4. Use of School Accounts for BYOD Chromebooks

- Students **must use their school-issued accounts** when using Chromebooks at school. **Personal accounts are not allowed** during school hours.
- **Logging into personal accounts** on Chromebooks while at school will result in:
  - A **warning** for the first offense.
  - A **write-up** for the second offense, documented in the student's school record.
  - Continued non-compliance will lead to further disciplinary actions as determined by the school administration.
- **Students with parental controls** enabled on their devices must ensure that their **school account is added as a separate profile**, rather than as a secondary account within their personal profile.

### 5. Monitoring Scope and Responsibility

- The school only monitors activities on **school accounts** and **while students are connected to the school's network**. We **do not track devices** or monitor screens outside of school, nor do we track students' personal accounts, devices, or networks used at home.
- **Parents are responsible** for monitoring their child's online activities when they are at home or not on the school network. **Deledao** is a tool we use at school, and **parental involvement** is essential to ensure students are being monitored outside school hours as well.

## 6. Device Requirements

- To maintain a uniform and secure system, **students are required to bring Chromebooks only**. No other device types are permitted, including but not limited to:
  - ✓ Chromebooks
  - X Apple MacBook
  - X iPads
  - X Amazon tablets
  - X Android tablets
  - X Windows computers
  - X Linux computers

## 7. Consequences of Non-Compliance

- If a student is found circumventing the monitoring system or logging in with personal accounts during school, they will face disciplinary measures including:
  - Warnings
  - Write-ups
  - Suspension of network privileges or Chromebook use at school
  - Further disciplinary action based on the severity of the offense

## 8. Limitations of Deledao and Parental Responsibility

- While **Deledao** is a powerful tool that helps to monitor and filter internet activity in real-time, it is important to acknowledge that no system is **100% foolproof**. There may be instances where inappropriate content or activity slips through despite Deledao's best efforts.
- **In the event that Deledao fails** to block inappropriate content or activity, the school will take immediate steps to address the situation and adjust settings as necessary. However, it is also the responsibility of the **students** and **parents** to adhere to the school's acceptable use policies and to report any concerns or issues they encounter while using the school's devices or network.
- **Parental oversight is critical**. We encourage parents to use their **parental Deledao accounts** to monitor their child's activities outside of school hours, including after-school time, weekends, holidays, and summer breaks. Parents can:
  - Set additional filters or block websites.
  - Monitor internet activity in real-time.
  - Receive alerts and manage screen time.
- This dual monitoring—by the school during school hours and parents outside of school—provides a **layered approach** to ensure the safest possible internet experience for students.

## 9. Student Responsibility and Reporting

- Students are expected to **use technology responsibly** and to follow the guidelines set forth in this policy. If a student encounters any inappropriate content, it is their responsibility to **report it immediately** to their teacher or the school administration.
- Failure to report inappropriate content or attempting to **bypass the web filtering system** may result in disciplinary action as outlined in the **Consequences of Non-Compliance** section.

## 10. Parental Deledao Account Sign-Up Process

Parents who wish to monitor their child’s internet activity outside of school hours can sign up for a **Parental Deledao Account**. This service is provided at no extra cost. To get started, follow these steps:

1. **Contact the Technology Department:**
  - Parents should send an email or call the school's **Technology Department** at support@mhclaredo.org, requesting access to the Parental Deledao account.
2. **Submit Required Information:**
  - You will need to provide your **name**, your **child’s name**, and your **child’s school-issued email account**.
3. **Receive Login Information:**
  - After your request is processed, you will receive an email with instructions to log into the **Deledao Parent Portal**. This will include your unique **login credentials** and a guide to setting up your account.
4. **Configure Monitoring Settings:**
  - Once logged in, you can configure your parental controls by:
    - Setting **screen time limits**.
    - Blocking or allowing specific websites or categories.
    - Setting up **real-time alerts** for any concerning activity.
5. **Ongoing Support:**
  - If you need assistance with setup or troubleshooting, the Technology Department is available for support.

## 11. Parental Control Features and Setting Limits

With a **Parental Deledao Account**, parents can take an active role in managing and monitoring their child’s internet usage outside of school hours. The features available to parents include:

1. **Screen Time Limits:**
  - Parents can set **daily or weekly limits** on how much time their child can spend online. This helps manage overall screen time, ensuring students balance school work, leisure, and rest.
2. **Website and App Blocking:**
  - Parents can block specific websites, categories of websites (e.g., social media, gaming), or apps that they deem inappropriate or distracting for their child outside of school hours.
3. **Custom Schedules:**
  - Parents can establish **custom schedules** to control when the internet is accessible on their child’s device. For example, internet access can be blocked during certain hours like bedtime or family time.
4. **Real-Time Alerts:**

- Parents receive alerts when their child attempts to access blocked or inappropriate content. These alerts are sent in **real-time**, allowing parents to respond immediately if necessary.
5. **Activity Reports:**
- Deledao offers detailed activity reports that show which websites or apps were accessed and when. This allows parents to monitor their child’s browsing habits and adjust limits accordingly.

## 12. How Alerts Work in the Parental Deledao Account

The **Parental Deledao Account** is equipped with a **real-time alert system** that notifies parents when potentially harmful or inappropriate activities occur on their child’s device outside of school hours. Here’s how it works:

1. **Real-Time Alerts:**
  - Parents receive **immediate notifications** when their child attempts to access websites or content that are blocked or flagged as inappropriate by the system. These alerts are sent in **real-time** to ensure quick parental intervention.
2. **Types of Alerts:** Alerts can be triggered by a range of activities, such as:
  - **Attempting to access blocked categories**, including adult content, violence, self-harm, and other inappropriate material.
  - **Excessive screen time** if a child is online beyond set limits.
  - **Suspicious behavior or activity**, such as trying to bypass filters using VPNs or proxies.
3. **Notification Method:**
  - Alerts can be sent via **email, SMS**, or through the **Deledao Parent Portal**, depending on the parent’s preferred method of communication. Parents can configure these preferences in their account settings.
4. **Customizable Alerts:**
  - Parents have the ability to customize the types of alerts they wish to receive. For instance, you can choose to be notified only about certain categories of content (e.g., violence or social media) or when screen time limits are reached.
5. **Response to Alerts:**
  - Once an alert is triggered, parents can log into their **Parental Deledao account** to take immediate action. This may include:
    - **Blocking additional sites** or categories.
    - **Adjusting screen time limits.**
    - **Discussing the behavior** with their child to ensure they understand the rules and expectations.
6. **Wellness Alerts:**
  - The system can also notify parents of any concerning wellness issues, such as attempts to access content related to **self-harm, cyberbullying, or mental health** triggers. This allows parents to address potential emotional or behavioral concerns proactively.
