

4th and 5th Grade Summer Book Report Activity (to be completed by one of the summer books ONLY) *This will be counted as the first test grade of the year.*

This summer, students will create a Story Elements Book Report based on one of the books on the summer reading list. The purpose of this project is to encourage reading comprehension while helping students practice identifying important parts of a story.

Students will explain the following elements:

- Characters: Who are the main characters? What are they like?
- Setting: Where and when does the story take place?
- Plot: What are the important events that happen in the story?
- Problem/Conflict: What challenges do the characters face?
- Solution: How is the problem solved?
- Theme/Lesson: What lesson or message does the story teach?

Students must present their work on a poster board. Please use complete sentences, neat handwriting (NO TYPING), and creativity.

The goal is for students to show understanding of the story while continuing to build strong reading habits over the summer.

Thank you for your support, and happy reading!
