*"A World of Skylight Options"*

## Open Your World

Transform a loft space into a place in the sun and add a real wow factor to any property with the innovative VELUX Cabrio Roof Window Balcony. Opening outwards in seconds to give extra room, this roof window balcony adds fresh air, natural light, and beautiful panoramic views to any space. Open your world today with the VELUX Cabrio balcony.

### Features

- Dual-sash operation: Top opens for ventilation and bottom opens outward to create a balcony. Ventilation flap included.
  - Top sash rotates inward for easy glass cleaning from inside.
  - Optional insect screen and blinds.
  - Pine frame comes pre-painted white.
  - Flashing and underlayment sold separately.
  - Also available in polyurethane or varnished pine.
- Call for pricing and ETA.

**Available in Triple Pane for enhanced energy efficiency.**

## GPL / GPU

The free exit **H** is the minimum perpendicular distance from the bottom frame to the insulating glass unit.

**NOTE:** GPL / GPU sash opens 44 degrees maximum. Spring hinge holds its position.

## GXU

The free exit **W** (radius) is the minimum perpendicular distance from the side frame to the opposite side sash.

**NOTE:** GXU sash opens 87.5 degrees and locks in that position.
