

The Temple of Athena Nike, The Acropolis, Athens,

Who We Are?

Legal Experts

We are a highly motivated team of dedicated international lawyers. Trained at the world's best law schools, alumni of leading global law firms, and qualified to practice in multiple high-profile jurisdictions, we are uniquely positioned to advise on international transactions, arbitration, PRC law, foreign law, and cross-border disputes.

Passionate Individuals

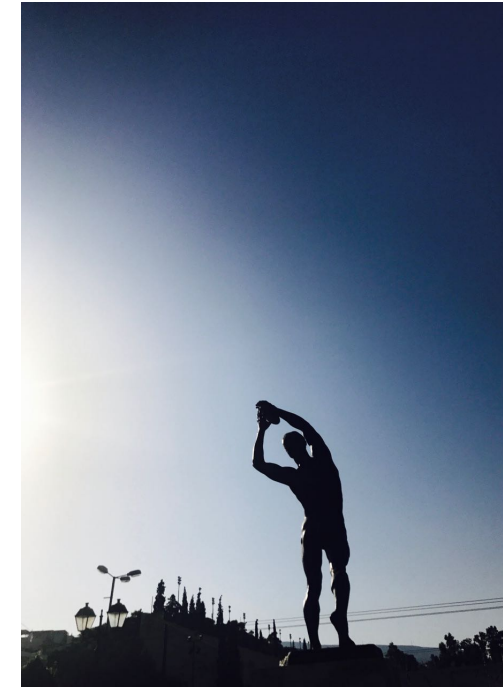

We understand there is a human aspect to every legal problem. Just as we are passionate about the practice of law, we also care deeply about the people we work with. Our aim is to deliver high-quality work while forging congenial bonds of trust, empathy, and respect.

Why Us?

Our lean and flexible business model enables us to offer high-quality legal services at customized rates which take into account the needs of our clients and the particulars of each matter.

Our distinct identity offers something fresh, dynamic and user-friendly:

- Excellent network of professionals, qualified to assist our clients' multi-jurisdictional needs
- Minimal bureaucracy and a streamlined working process, to provide cost-effective advice with a personal touch
- Problem solvers, our proactive, hands-on approach is not only to deliver sound advice, but also to take action when required
- Commercially minded, we deliver pragmatic, sound business solutions
- We stay at the forefront of technological innovation to offer the most cutting-edge, cost-saving service available on the market
- We aspire to forge a long-term, win-win relationship with our clients
