

STELLAR

Irwin Seating Company

Long a favorite of architects, designers and the operations / custodial staff, Stellar is now manufactured exclusively by Irwin Seating Company. Beneath its elegant exterior is a rock-solid frame that is time-tested to withstand years of use. The polymer outer back provides added durability and a slim profile that is ideal for auditoriums, lecture halls and sporting venues that desire cast iron stanchions.

Model: 220.220.350.220

Model: 220.220.350.220

Stellar is available with wood, laminate or cast iron aisle standards, writing tablets, aisle lights, row and seat identification tags. In addition, the polymer back is available in 32" or 34" back heights. The No. 216 Stellar back is provided with a veneer surfaced rear panel attached with tamper resistant fasteners. Contact your authorized Irwin Seating Company representative to discuss options and availability for your project.
