Love at first sit

If you simply see a folding chair, look again.

Gathr is something different—a thoughtfully designed seating solution that's as innovative as it is joyfully uncomplicated. Here, form and function work together to offer up contoured, human-centered comfort at every turn with smooth lines and fewer crevices for easy cleanability. But don't let its streamlined construction fool you, Gathr delivers incredible, beyond-tough performance that's sure to please every staff member. And every guest. Every time.

Easy chair

Easy one-handed carry, easy side-to-side ganging, easy release, easy folding, easy storage—they all add up to the fastest set-up and tear down times in the industry. And serious comfort too. Built to handle even your toughest crowds in rugged, indestructible style, Gathr is the surprisingly lightweight seating superhero that lives up to its name...wherever people come together.

Irwin's revolutionary new ganging design delivers a smarter way to come together with easy Slide-and-Guide connection. Just slide the rear leg into the adjoining bracket and guide the front leg to secure. No struggles. No sharp edges either. You've never seen set-up this simple—or this fast!

Designed with natural grab area at the bottom of seat back for comfortable clutch and carry

Long lasting seat foam will stand the test of time and use

Heavy-duty plywood base, durable plastic components and molded foam seat will all stand the test of time and use

Integrated dry erase marker surface for easy numbering/naming on the bottom of the seat

Smooth, rectangular leg design means a sleek modern profile with no crevices to collect dirt

Rugged 18-gauge powder coated steel tubing is built to handle plenty of action—year in and year out

Non-marring TPU polymer feet for added stability

32" / 39.375"

Simply smarter assembly with fewer overall parts and multifunctional off-the-shelf components

18" / 19.5"

Irwin.

With manufacturing facilities in Michigan and Illinois, Irwin is always thinking through innovative ways to keep jobs rooted in our community, using local suppliers whenever possible. Around here, every action is framed in homegrown respect—for our employees, the environment, and our customers. As a fourth generation, family-owned company, staying true to our mission means helping to create the spaces where life happens with American-made seating our customers can really believe in for generations to come.
