After detailed inspection visit to the Traditional/ Ottoman Turkish Style Mosque Project, dated 22 December 2010, the Handing/Taking Over commission members, found that all the works within the scope of Project have been satisfactorily completed as per the design and technical specifications and the Project was handed over to the consignee along with one year maintenance period.

The Handing/Taking over Committee also highly appreciated the quality of work provided by the Contractor and decided to grant the "Provincial Completion Certificate of Turkish Traditional Mosque" to the Contractor (M/s Areaa Construction Company).

The final Taking over Certificate shall be issued to the Contractor after the expiry of 12 Months Maintenance Period.

The Handing/Taking over Committee highly appreciated the efforts made by Turkish Red Crescent (TRC) to support the Bagh People directly following the earthquake of 08-10-2005 and hoped that Turkish Red Crescent will continue the same contribution in future.

As per Notification No S&GAD/G-1(21)2010 issued by Azad Government of the state of Jammu and Kashmir Service and General Administration Department dated 18th December, 2010. The Turkish Red Crescent in the presence of the respective members has handed over Turkish/Ottoman Traditional Style Mosque at the cost of USD 2.35 Million in Bagh with all allied equipments to Physical Planning and Housing Department, Govt. of AJK, (here after known as "Consignee").

The Consignee shall now be responsible for proper administration, security of the Mosque and other relevant purpose.

The Provisional Handing/Taking over Committee dully signed and forwarded the file to Turkish Red Crescent (TRC) for the issuance of the Provincial Taking over Certificate of Turkish Traditional Mosque.

In addition to this, the commission also agreed that inauguration will be held later on mutually decided date by the parties.
