HEARTFELT, CUSTOM WEDDING OFFICIANT SERVICES

I am a non-denominational ordained American Marriage Ministries wedding officiant. I provide heartfelt, custom wedding officiant services. I take pride in asking all the right questions to truly get to know a couple as they prepare to join their lives for life. I promise to enhance their special day by delivering their intentions to each other, family and friends through words and spirit that are not only reflective of the couples' personalities, yet also fun and imbued with bits of their personal stories.

LET'S CREATE AN EXTRAORDINARY CELEBRATION

I am available for civil ceremonies, vow renewal, and same-sex weddings; any format or style (micro and mega weddings, elopements, traditional to modern); and all types of venues.
