HEARTFELT, CUSTOM WEDDING OFFICIANT SERVICES

I am a non-denominational ordained American Marriage Ministries wedding officiant. I provide heartfelt, custom wedding officiant services. I take pride in asking all the right questions to truly get to know a couple as they prepare to join their lives for life. I promise to enhance their special day by delivering their intentions to each other, family and friends through words and spirit that are not only reflective of the couples' personalities, yet also fun and imbued with bits of their personal stories.

LET'S CREATE AN EXTRAORDINARY CELEBRATION

I am available for civil ceremonies, vow renewal, and same-sex weddings; any format or style (micro and mega weddings, elopements, traditional to modern); and all types of venues.

FROM IDEA TO CEREMONY

Professional Officiant ceremonies are crafted from personal interviews with clients, which assure their vision, story and key elements of ritual are honored.

OFFICIANT QUALITIES

When a milestone occasion inspires your celebratory vision, allow it to materialize through the sound training, ceremonial passion and imaginative nature of a professional officiant.

PLANNING IDEAS

Partners, families, co-workers, etc. all like to offer their ideas, which are as varied and diverse as there are points of view. What to do? Simplify your life and let a professional officiant guide the process.
