Anne Arundel County Food Bank  
120 Marbury Dr  
Crownsville, MD 21032

To Whom It May Concern:

As our food pantry concludes our fiscal year, it is time to look back and reflect on our achievement within the community our pantry serves. We have successfully operated our pantry each month serving on average of over 100 families. Our volunteers have shown up, willing to work hard to prepare the food for distribution, to interact with our clients one-on-one and to offer encouragement to everyone in need. Recently, a family member of one our food recipients came to our pantry to express his appreciation to our pantry for taking care of his recently deceased nephew, during his time of need. To show his appreciation, the uncle made a significant donation to our pantry.

Each month that RTBC Food Pantry operates, we do so because of the continuing support and assistance of the Anne Arundel County Food Bank. Since our pantry opened in 1998, the county food bank has been the back bone of our operation. The staff and personnel have always been pleasant to work with and always offering ways to help us improve our situation, through training and evaluation. We appreciate their endeavor.

Best regards for our continuing partnership,

John M Tatterson  
Director
