Re: Donation of Furniture

Dear Staff,

On behalf of the Salvation Army's Social Service department, I would like to say thank you for your generous donation. We appreciate your continuous support of our organization; our new look is more inviting and welcoming to our clients. One client said "This place has class and dignity!" which ensure us that this renovation was a success. We have moved our open pantry to an open hallway for better traffic flow. With this layout, our clients have a more spacious seating area to fellowship or wait for other services.

Again, we are truly thankful and blessed by your generosity and look forward to continuing to serve the community together.

Thank you,

Whitni B. Richardson, MSPsy
