Re: Donations

Dear Sir or Madam,

On behalf of the Salvation Army's Social Service department, I would like to say thank you for your continuous donations of food for our pantry. We appreciate your support of our organization, which now allows us to serve more families than before. We have recently changed our pantry operation; we now can provide a single person or a family food once a month verses every 3 months. We have also added canned goods and boxed foods to our weekly bread giveaway.

We have received server comments from the families that we serve. One mother said, "This open pantry looks like a grocery store... there is a verity of items to choose from!" One guy who was currently homeless expressed how grateful he was to receive food, especially meat because it had been months since his had meat. We could not have provided such a voluminous of food products, without your help.

Again, we are truly thankful and blessed by your generosity and look forward to continuing to serve the community together.

Thank you,

Whitni B. Richardson, Social Service Case Worker

Our Food Pantry
