

Our Amp Up bundle begins with a comprehensive review of your current HR practices. Through our strategic insights assessment results, we advise on your HR strengths, opportunities and risks. Then, we develop and implement a customized set of people support solutions for your organization. People support solutions include some or all of those included in our Ramp Up bundle and collaborative consulting in one or more of the advanced HR areas listed below.

People Support Solutions Included

- Ramp Up Bundle People Support Solution(s)
- Strategic Insights Assessment and Review
- Strategic HR Planning
- Organizational Design
- Organizational Development
- Capability Building
