To Whom It May Concern:

We were delighted with the services provided by Relo Co during our relocation from our long-time home on Maryland Avenue to our new state-of-the-art facility at 1101 North Jefferson Avenue in 2022.

Working with a variety of personalities, work schedules, and construction timelines was challenging. Throughout the process, Julie Wilson and Trask Hayes provided answers to questions and solutions to problems with calmness and confidence. Their ability to handle any situation quickly and professionally allowed our staff to focus on our clients.

When Julie said her goal was to reduce our move-related stress, we laughed! But that's exactly what she and her team did. I whole-heartedly recommend Relo Co.

Respectfully,
