Dear Julie,

It is my sincere pleasure to submit this letter of recommendation regarding the excellent relocation services you delivered to the North Lawndale Employment Network.

Your professionalism, logistics, strategic planning knowledge, and caring customer service resulted in our move from 3 separate locations to our new workforce campus being smooth in spite of a series of external factors that changed the scope and timeline of the project. Your participation in our weekly planning meetings via Zoom, was always prompt and you offered insightful feedback and additional support where ever you could because we were novices and this was our first time relocating into a new facility.

You and your team exceeded our expectations and to be fair, you became more than a vendor. You became a valued member of our NLEN family.

Regards,

Brenda Palms Barber, *President & CEO*
