**A Touch of Laughter**

When the moon hits your eye, like a big pizza pie,  
That's amore.  
When an ell bites your hand, and that's not what you planned,  
That's a moray.  
When our habits are strange, and our customs deranged,  
That's our mores.  
When your horse chews dried grass, and then begs for more, alas,  
That's some more hay.  
When your sheep go to graze, in a damp marshy place,  
That's a moor, eh?
