## A New Dishwasher in Parish Hall.

Records show our last commercial dishwasher was purchased in 1987. Thirty-six years later, the time has come for a replacement. The Memorial committee approved funds to be used to purchase the new machine. It has now been installed and is ready for use. Hopefully this dishwasher will last another thirty-six years.

## Joan had a big problem....

She wanted to do si do, but her church said, "no." Joan told her friend Hannah about her problem, and Hannah said, "Come to my church. We can do si do whenever we want!"

The next Sunday, Joan, sister Nyla, and Hannah jumped in their car and drove to St. Andrew's Episcopal Church in Chelan. Pretty soon, little sister Jane and little brother Ed were loaded in the back seat and brought along to Sunday school. Next mother Margaret, Aunt Zelma and cousin Jan

joined the group. Now, 66 years later, Joan, Nyla, Jane, and Hannah still attend St. Andrew's, and Joan can do si do whenever she wants to.

When Larry met Apple Blossom Princess Joan in California, he was smitten. He swept her off her feet and sashayed her off across the country. Joan wasn't too fond of California or Pennsylvania living, so she promenaded him right back home to Chelan, and that is where they have lived ever since.

Joan worked for the apple warehouses and Larry for the school district. They raised their children Phaedra and Erick here, and all the while attended St. Andrew's. They have served our church on nearly every board, committee, and guild imaginable. Whether Joan is baking pies, or Larry is flipping flapjacks, their presence, honor, and love for our church are ever abundant here,

Did you know that Larry made extraordinary floats for parades? His floats were so beautiful that they won many awards and even showed at the Rose Parade in Portland! At St. Andrew's, Larry's floral arrangements and holiday decorations adorn our church throughout the year. Then, there is the courtyard—the shining star of downtown Chelan. How many years has Larry cared for the gardens here? Decades would be the answer. Every year, every season, and every day, Larry is here keeping our courtyards pristine and welcoming. Don't think he works alone! He has a host of "angels" that join him. Joan, Jane, Judy, and Pat are the dream team. They spend hours planting, weeding, watering, and preening every square inch of gardens here.

Joan and Larry Hazelton are a cornerstone at St. Andrew's. Four generations of their family have worshipped and served here. We are so glad that Joan wanted to do si do.

## A Treasure Found

Some of our Acolytes have noticed that as the years pass by, their cross has grown taller, heavier, and more cumbersome. So, Linda Cox pulled out a different cross from the back of the church. It is smaller, lighter and easier to maneuver. Inspecting the cross carefully, she found an engraved message on it.

It reads:

CHOIR CROSS  
CARVED & PRESENTED  
TO ST ANDREWS  
BY  
LOUIS E DART  
FATHER OF  
PENELOPE M. GARRETT  
1899

Where has this cross been for the past 124 years? Well, no one in church today remembers. Perhaps it was tucked in the acolyte closet with the robes, or just resting peacefully in the back of the church, waiting for its opportunity to grace the aisle of St. Andrew's again.

“Take my yoke upon you and learn of me, for I am meek and lowly in heart, and ye shall find rest unto your souls.” *Matthew 11:29*
