# Introduction

## AUSBILDUNG Program

Ausbildung is a unique system in Germany for vocational training. It combines **classroom** learning with **on-the-job** experience, preparing you for a skilled profession.

Think of it as a fast-track to a rewarding career. You'll get paid along the way, gaining valuable work experience that employers crave.

### Wide Range of exciting fields:

- **Technical whizz?** Dive into engineering, IT, or mechatronics and build the future.
- **Healthcare hero?** Become a nurse, physiotherapist, or dental assistant and make a difference.
- **Hospitality hero?** Master hotel management, gastronomy art, bartending or art of barista.
- **Creative soul?** Unleash your passion in fashion design, graphic design, or interior design.

# Why AUSBILDUNG?

## World Class Program

With almost 100% employment rate upon completion, your future looks bright.

### No Student Debt:

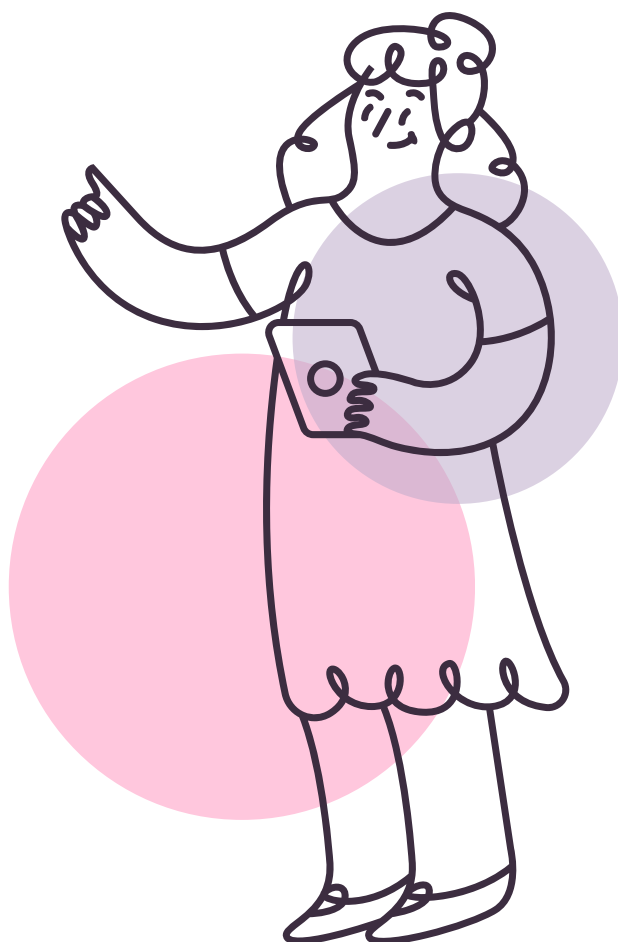

Forget hefty loans!

*You can complete the course and also earn to cover cost of living*

### 3 Years Head-start

Learn by doing, not just by reading.

## WHY *Ausbildung* IS FOR YOU

### Earn as you learn:

Receive a monthly stipend throughout your Ausbildung.

*Monthly stipend range around INR 1 lakh per month*

### 200+ Career

*Nursing  
Mechatronics  
Logistics  
Gastronomy  
Hospitality  
Carpentry  
Electronics*

*& many more*
