Summer Reading

Students entering grades 1 – 8 are encouraged to continue reading over the summer. The following is a suggested list of books for grades 3rd and 4th. Students may choose a book from this list, or another grade level appropriate book.

As an icebreaker students will be required for a grade to make a brief oral presentation during the first few days of school. Students may choose to draw a picture, make a poster, or create a comic strip....whatever they would like to do. This is their chance to let their personality and creativity shine, while introducing themselves to their classmates.
