EdVantage Academic Solutions: Professional Development Menu

Our professional development sessions are designed to engage, equip, and empower educators at every level. Each training is customizable for your school's needs and can be delivered in-person or virtually.

Data-Driven Instruction

Train educators to analyze assessment data, adjust instruction, and implement targeted interventions that drive student growth.

Classroom Management & Culture

Support teachers in building positive, structured, and inclusive classrooms that maximize instructional time.

Effective Small Group Instruction

Strategies for planning, grouping, and delivering differentiated instruction in small group settings across content areas.

Standards-Aligned Lesson Planning

Guide teachers in designing rigorous, purposeful lessons aligned to state standards and student learning goals.

Culturally Responsive Teaching

Help educators connect with diverse learners by integrating cultural relevance and inclusivity into instruction and relationships.

Implementing MTSS

Overview of multi-tiered systems of support, progress monitoring tools, and team roles to support academic and behavioral needs.

PLC Facilitation & Collaboration

Support in building strong professional learning communities focused on shared goals, student data, and continuous improvement.

Curriculum Implementation Support

Customized training on adopted curricula such as enVision, Benchmark Advance, Into Literature, STEMScopes, and more.
