EdVantage Academic Solutions: Leadership Coaching Menu

Our leadership coaching services are designed to build capacity, strengthen instructional leadership, and support school improvement. We provide one-on-one and team-based coaching tailored to the specific needs of school leaders, instructional coaches, and aspiring administrators.

Data-Driven Leadership

Support in analyzing academic data, setting measurable goals, and using data to inform instruction and intervention planning.

Instructional Walkthroughs & Feedback

Training on how to conduct effective classroom walkthroughs, provide actionable feedback, and build a culture of continuous improvement.

School Improvement Planning

Guidance on developing and implementing strategic plans aligned to school goals, accountability measures, and student outcomes.

Building & Sustaining a Strong School Culture

Coaching on how to create and maintain a positive, inclusive, and achievement-oriented school climate.

New Leader Development

Mentorship for new or aspiring school leaders focusing on vision setting, communication, time management, and stakeholder engagement.

Coaching for Coaches

Support for instructional coaches in delivering effective PD, leading PLCs, and building teacher capacity.

Compliance & Operational Readiness

Support in meeting state and district requirements, preparing for audits, and aligning leadership decisions with operational priorities.
