ALL-NEW **ICE BLAZER** **WSTX**

*Studdable
Performance
Winter Tire*

The all-new Ice Blazer WSTX takes the struggle out of winter driving. Engineered for the toughest conditions, this studdable tire delivers unbeatable traction, keeping you safe and in control no matter the weather. Advanced compound and polymer blends maintain flexibility when winter bites, ensuring maximum grip in slush, snow, and icy conditions. With the Ice Blazer WSTX, even the hardest parts of winter driving become easy.
